

# CEBL Fall League 2025 • Frequently Asked Questions

## Will there be a Fall League and when will registration open?

CEBL has the intention of hosting boys & girls basketball leagues for various age groups this fall. Please visit [PCCS.REG.ELEYO.COM/COMMUNITYED](https://pccs.reg.eleyo.com/communityed) for program details and to enroll. Registration for the K-2nd Co-Ed, 3rd-8th grade boys, and 3rd-5th grade girls, and 6-8th girls leagues will open during the week of 8/11. *(High school boys league only takes place in the Winter session (Jan-Mar) and will open online for registration in mid-October, along with other winter leagues.)*

## I tried to register but it only gives me the option for WAIT LIST. What should I do?

We are opening registration to a set number of participants to start. As we confirm we have enough coaches to accommodate all students who are interested, we may be able to open more spots. **Please put your name on the WAITLIST!** In the event someone drops out or additional openings are created, we will rely on that list and reach out to families with more information on a first come, first served basis.

## What is required of a Volunteer Coach?

**We are in need of volunteer Coaches and Assistant Coaches to help mentor our players / lead a team!** Coaches will need to complete a background check with the district each year. A link will be provided by the CEBL Director.

Primary responsibilities are included below; a handful of other small tasks may also be required throughout the season.

- Communicate with players regarding team specific items (ie. practice & game schedule) via Team Snap
- Track player attendance at practices and games
- Run practice and create game-day player line ups. Coach weeknight scrimmages for K-2 or Saturday games for 3rd-8th.
- Ensure any health & safety measures are being followed; pass along to CEBL any reported issues with team illnesses

## How is the Fall Season different from the Winter Season?

As opposed to the winter league, fall leagues will be an abbreviated season (6 weeks w/ 6 practices and games) without playoffs. We will be hosting one session (for grades K-2 Co-Ed and 3-8th boys & girls) during October-November. **CEBL is a great opportunity for players to try the sport or get back on the court. We appreciate everyone working together to follow the established guidelines so a fun and successful season can be had by all!**

## CEBL Fall League 2025 • Frequently Asked Questions (Continued)

### I plan to try out for my school basketball team. Can I still register for CEBL?

The **FALL leagues** will not interfere with Middle School Team tryouts. In fact, it is a great way to prepare. However, there **ARE potential conflicts** with participation in CEBL during the **WINTER (Jan-Mar) season**. Watch the website regarding winter enrollment FAQ section related to this topic.

### What health & safety protocols are being followed?

- CEBL follows P-CCS district protocols for health & safety; any changes during the season will be communicated to families.
- All parties should be doing a health self-screening prior to attending practices and/or games. If you are experiencing signs of illness, especially upper respiratory symptoms, please refrain from returning until you are well.
- Hand sanitizer and bathrooms for hand washing are available at practice and game sites.

### Will there be a Winter League and when will registration open?

CEBL has the intention of hosting boys & girls basketball leagues for various age groups this winter. **(Note: High school league for boys will return in the winter. A league for 7th-8th girls is also being evaluated for winter, as it may interfere with middle school play. More information will be available soon.)** Please visit [PCCS.REG.ELEYO.COM](https://pccs.reg.eleyo.com) for program details and to enroll. **It is anticipated that Winter CEBL registration will open mid-October.**

-Please note: CEBL may need to make changes to the fall program (including but not limited to location, game or practice adjustments, postponements, or cancellations) based on the number of people who register for the league, building availability, weather closures, or due to the latest district, county, or state health & safety guidelines. Make-ups will be scheduled where possible but may not be guaranteed.
