

The ELT Go-Getter Symposium: AI, Innovation, and ELT Connections

Presenter Information

- **Full Name:**
 - **Email Address:**
 - **Affiliation (if any):**
 - **Presentation Title:**
 - **Category:** ☐ Practice-informed presentation ☐ Research-informed presentation ☐ Poster
 - **Permission to share video in the publication (optional):** ☐ Yes ☐ No
-

◆ **1. Abstract (max 150 words)**

Briefly summarize your presentation, highlighting its relevance to English language teaching and AI.

◆ **2. Practical Takeaway (2–3 sentences)**

What is one key insight, tip, or idea educators can use from your presentation?

◆ **3. Activity Guide (max 200 words)**

For Practice-Informed Presentations:

Describe a practical classroom activity or lesson idea related to your presentation. Include:

- Goal of the activity
- Context (learner level or age, K12 or higher ed)
- Materials or tools used (especially AI tools, if any)
- Steps to implement (please use bullet points if possible)
- Tips for adaptation

For Research-Informed Presentations:

Translate your findings into practical application. Include:

- A brief description of the research context
 - Main insight(s) for teachers
 - How these insights could inform a specific teaching activity or strategy
 - Example or suggestion for implementation
-

◆ **4. Optional: Resources or Links (max 3)**

Include any tools, lesson templates, websites, or AI prompts that readers can explore.
