

Dear Parent/Guardian:

We are offering an opportunity for your child, _____, to participate in [School Name]'s mentoring program. A mentor is a caring adult from the school or community who has volunteered to give at least one visit per week to develop a one-on-one relationship with a child.

All mentoring activities will take place at school. Generally, the mentor will visit with your child at breakfast, lunch or some other appropriate time during the school day. The mentor may share appropriate arts and crafts, books, hobbies, games, etc. to build a relationship with your child. Occasionally, a mentor may assist with school-related skills.

Mentors have been carefully selected and thoughtful consideration has been given to each student/mentor match. The mentor or the student may end the relationship at any time. Any questions or concerns may be directed to any administrator.

Your signature below indicates your agreement to allow your child to participate. Please sign and return this form to our office so that the mentorship may begin. If you have any questions about the program, please contact [contact name] at [contract information].

Sincerely,

[School Official]
