

Hello!

Welcome to Rossview High School home of the HAWKS!

We are thrilled that you are joining the Rossview family!!

You will find that Rossview offers so many opportunities for students to connect and excel. We know that moving can be stressful and that you may have questions about starting a new school. We hope that this email contains information that will answer some of those questions and that you review this information prior to your registration meeting with the school counselor.

During your scheduled registration appointment, the counselor will work with you to choose the appropriate classes for this school year. In most cases, the student will be asked to choose one or more elective courses as well as alternate selections. Prior to your registration appointment, please review our course guide and create a list of classes the student is interested in taking this year.

In terms of classes offered, Rossview does offer a wide variety of both honors and advanced placement classes for approved students. Admission into these classes requires:

1. Approval based on set criteria for each class and;
2. A contract signed by parent and student
