*delete accordingly

Activity = once-off event with no need for any planning.

No.	Name of Student (as in NRIC)	Class	Chairperson (SLD L3)	Vice-Chairperson (SLD L3)	Committee Member (SLD L2)	Participant	Duration for each student (hrs)
			Tick for each student				
		</					

Note: The student's level of attainment is based first on the leadership position held. However, if the student demonstrated a much wider extent of impact than what the position is pegged at (which can range from within the class to the entire school population), the school has the autonomy to recognise the student's leadership attainment by one level higher. In such cases, please approach HOD/CCP for a discussion.
