In the estate of North Brandon Davis  
I would like to amend the petition of

listed as a suspect.

**IN THE PROBATE COURT OF CATOOSA COUNTY STATE OF GEORGIA**

**IN RE: ESTATE OF NOAH BRANDON DAVIS  
ESTATE NO. E18-58  
MISSING INDIVIDUAL**

**RESPONSE/ANSWER TO PETITION FOR PRESUMPTION OF DEATH OF MISSING  
INDIVIDUAL BELIEVED TO BE DEAD**

The Petition of Noah Brandon Davis, whose physical address was 259 Pursley Drive, Ringgold,  
Georgia 30736

1.

Noah Brandon Davis, hereinafter referred to as the "missing individual", place of domicile was 259 Pursley Drive, Ringgold, Georgia 30736 and is indeed a missing person by Joshua Wright's of such calamity as the case.

2.

Petitioner Jason Stephens has filed a Petition concerning this estate for Noah Brandon Davis. Jason Stephens states that he presently did not intend to file any other proceedings, nor has he any 'knowledge of any other proceedings' as of February 12th 2018. Yet on the very same date of this PETITION being filed, Jason Stephens filed a 'harassment' claim in the Magistrate Court with similar statements, and again an incorrect claim as being Half-Brother of Noah Brandon Davis. This is apparently also, his justification in both courts. Jason Stephens is not related with or to Noah Brandon Davis, and he has no right to state himself as such. Jason Stephens is upset at that fact, and has 'spun' that fact, and his omission from important decisions, into a claim of 'harassment' in Magistrate Court. These are attempts to have, state, claim, or to obtain control over the matter when again, he in fact he has no standing or rights to do so.

3.

Listed below are all of the missing individual's ACTUAL would-be heirs at law, with age or majority status, address and relationship to the missing individual set opposite the name of each:

Name - Age - Relationship - Address

Johnny Davis - 58 years old - Legal Father - ADDRESS UNKNOWN, Rossville, Georgia  
Joshua DeWayne Wright - 35 years old - Legal Half-Brother - [REDACTED]  
Stephen Chase Wright - 34 years old - Legal Half-Brother - [REDACTED]

4.

The instructions for completing this petition state the following:

*'Provide sufficient factual information to enable the Court to conclude that all of the heirs of the missing individual are included and that there are no heirs of the same or closer degree according to O.C.G.A. § 53-2-1. Provide the names of any deceased heirs, the name and address of his or her Personal Representative, if any, and include the date of death for each. Also, state here all pertinent facts that may govern the method of giving notice to any party and that may determine whether or not a guardian ad litem should be appointed for any party. If any heirs listed above are cousins, grandchildren, nephews or nieces of the missing individual, indicate the deceased ancestor through whom they are related to the missing individual'*

But clearly Jason Stephens, the PETITIONER and originator of this 'PETITION FOR PRESUMPTION OF DEATH OF MISSING INDIVIDUAL BELIEVED TO BE DEAD' fails to follow said instructions, and to meet the requirements set forth in law, as also he is a non legal relative of Noah Brandon Davis. Jason Stephens in filing this, has sworn a false statement and claim, and he did NOT apparently understand, or follow these instructions correctly.

Jason Stephens in his and this PETITION (Paragraph 8) the following as fact:

*'Open Investigation by Catoosa County Sheriff's Department, foul play suspected. Suspect Joshua Wright'*

And it appears also, that he uses this as his motivation in filing said PETITION altogether. Attached to this ANSWER/RESPONSE is an email confirming from the Detective over the matter, and his never stating such 'fact' to Jason Stephens, the PETITIONER. Detective Sergeant Alan Miles of the Catoosa County Sheriff's Department states the following:

*'I am not in a position to make any official comments or disclosures concerning this investigation. I know they met with the FBI also as well as with me as you know and I did not name any suspects.'*

5.

It is an obvious true statement that 'the missing individual has been missing from his last known place of domicile for a continuous period of twelve (12) months or longer.'

But stating that the 'missing individual was exposed to a specific peril or tragedy resulting in probable death under circumstances that may be proved by clear and convincing evidence.' Is something that not only is Jason Stephens NOT qualified to show or state, but in fact currently is NOT true according to the agency over this search, and their NEVER stating so.

6.

The missing individual was last heard from on the date of July 28th, 2014. But that is only speculation, and a personal statement from Joshua Wright only, who has been searching for Noah Brandon Davis himself, for this entire length of time until the present. Joshua Wright's statement is in no way an official statement on anything, and cannot give or grant any 'authority' to said date, as he (Joshua Wright) is in no capacity to state so. Any and all things said, cited, or used from Joshua Wright's PERSONAL search for Noah Brandon Davis, are not only obviously subject to change at any time, but are never intended to be 'official' enough to cite in any court of law. It is speculation only, and in no way shape or form factual, it simply the current belief of himself only.

Also, the date of July 28th, 2014 has no location base behind it, only communications and geographic locations ONLY, from social media. It is NOT based on ANY one person's visual acknowledgement in anyway of any sort of a physical location. It is NOT known, where Noah Brandon Davis was physically at, on said date. So Jason Stephens stating such is merit-less, and not something that he himself could possibly know unless he is keeping that information solely to himself, and never Joshua Wright, or Detective Alan Miles.

7.

There are no other cases pending in any court to this, Joshua Wright, who is Noah Brandon Davis closest relative and next of kin, to the best of his knowledge at this date and time in regards to the Estate of 'The Missing Individual'.

But similar statements and claims were made in a filed pre-warrant application, on February 12th 2018, by Jason Stephens, in the Magistrate Court CASE# 2018-23W which will be heard on February 23rd, 2018. (also attached)

8.

Also attached in this RESPONSE, is proof of Joshua Wright's factual standing as a legal heir, and representative of Noah Brandon Davis.

9.

*Association, or determining the status of association*, of the legal standing and/or qualifications to act or speak as such, for Jason Stephens or anyone not currently listed as such to Noah Brandon Davis, is in no way desired, needed, or requested in any way, by any entity at this time.

Mainly as Jason Stephens and his being such, is irrelevant to what is actual reality, and importance. Jason Stephens has already shown that, and by even his claiming so, to already be problematic, rather than helpful. Jason has only claimed himself to Noah recently, and never in any way while Noah Brandon Davis was not missing.

10.

Jason Stephens has never even helped, or participated in any form the search for Noah Brandon Davis except for one single act, where he portrayed himself as a relative on a News broadcast by his own doing. Jason Stephens has never attempted to search himself, nor has he ever even been known to Noah Brandon Davis (or any of his actual family) as 'a Brother' to Noah Brandon Davis, in any capacity whether formally or not. Jason Stephens saying such, or saying so, is now purely speculation, and with Noah Brandon Davis Mother, Janice Marie Davis passing away on July 27th 2016 and Jerry Stephens (Father of Jason Stephens) himself passing away on May 5th 2017, and both of those peoples never trying to ever themselves discuss or formalize any standing in regards to this apparent relation, it is clear at least formally, just how much that may, or may have been or meant to the both of them as well.

WHEREFORE, this RESPONDER, and rightful LEGAL heir and RIGHTFUL representative of the family of Noah Brandon Davis, agrees *if necessary* to appear in this court on requested time and date, but does in fact PRAY for one or two things:

1. A complete dismissal of this pending matter altogether, as its claims are invalid, and are not factual. At this time, this or any '**PRESUMPTION OF DEATH OF MISSING INDIVIDUAL BELIEVED TO BE DEAD**' is not something desired, requested, or needed by the family in anyway at this time. If it were, or had been so, we (the ACTUAL family, OR the Sheriff's Department) would have already asked or filed for such a request or hearing in this court. And that notice/service of this removal or denial on this matter, be mailed to all needed as necessary by law.

AND/OR

2. That the PETITIONER be BANNED from FALSE claiming in this or any court, the claim of being related to, or speaking for Noah Brandon Davis and his actual family. Further harassment in this desperate time of calamity, is not in anyway desired, nor is wasting anyone's time any further. Our efforts are focused on finding Noah Brandon Davis, and wish to have all energy on that, and not meritless claims in any capacity, but especially a court of law.

PRAYERFULLY and RESPECTFULLY, on this the 21st of February 2018.
