

WELCOME TO KINDERGARTEN

Dear Families,

We are in the process of setting up our classrooms for the new school year. All items will be shared communally and **should not have names written on them**. If you are unable to purchase any of the items from the list, please be assured that they will be provided for your child. Your child's teacher will have a collection area for these items during Open House. **If you ordered the supply kit through SOS, you do not need to purchase the items on the chart below.**

For ALL students: It is recommended that your child carry a backpack to and from school each day for notes, papers, lunch, and a snack. Please be mindful of the size of these bags; children will need to fit folders, lunch boxes, snow pants, etc., in these backpacks! Also, we do not recommend bags with wheels or anything hanging from bags. Additionally, please supply one pair of wired headphones with a standard 3.5 mm audio jack (not Bluetooth).

1	Boxes of Crayola washable thin line markers
1	Boxes of Crayola washable thick line markers
