Text 1 is for number 1 to 5

I live in a village called Amed in Bali, about two hours from Kuta. It is a beach village and one of the best places for scuba diving in Bali. To reach my village, you will need a lot of energy because it is an exhausting trip. The road is curved and there are many ups and downs too. But as soon as you arrive in Amed, your efforts will be paid by the beauty of my village.

Unlike other places in Bali, Amed is a calm and peaceful place. The bay, some sandy, others rocky appears to be lined with traditional fishing boats called Jukung. From the top of the hill, people can enjoy the beautiful scenery. There are no factories or industries in Amed, so the water and the soil in my village are still clean and unpolluted.
