

Write about your family with quantifiers

(For reference, see Student Book page 8)

Instructions: Finish the sentences about your family members. You can use the actions below or use your own ideas. Be careful of the verb: -s for one or none; no -s for plural. Write on another paper if the space is too short.

drink coffee
exercise regularly
live in the U.S.
live in my country
play an instrument

speak English well
have children
have a pet
wear glasses
live near me

1. A few of my family members _____.
2. One of my family members _____.
3. All of my family members _____.
4. Most of my family members _____.
5. None of my family members _____.
6. Some of my family members _____.
7. A couple of my family members _____.
8. Several of my family members _____.

When you finish, share your sentences with another student.
