Everyone hates creating these

Body copy:

Everyone hates creating these.

What am I talking about?

Sales letters.

The very thought is enough to bring most marketers out into a cold sweat.

After all, who wants to spend weeks, months and even years learning how to actually write one of these things...

And then have to sit down and spend almost the same amount of time actually creating one.

Turns out, you don't have to.

Instead, you can simply leverage 22 years of expertise and success and plug and play your way to sales letter success.

How?

With the brand new 60 Minute Sales Letters system from veteran marketer and copywriter Amanda Craven.

Using it, you really can churn out an irresistible sales letter in 60 minutes or less...painlessly.

The proof is in the sales letter she wrote for this in 57 minutes flat.
