Dear SJUSD Community,

We were notified this morning that one of our high school teachers was arrested last night. Below is SJPD's press release that will be posted later this morning by SJPD. We are deeply troubled by the allegations. What we know about the circumstances at this time is limited, so we have been counseled to be cautious with what we share at the risk of sharing misinformation. You will note in the press release that there is no information that these alleged acts occurred on St. Johns Unified School District property. We are grateful for the local authorities who are handling the investigation.

Respectfully,

Kyle Patterson
Superintendent
SJUSD
