

Welcome to a New School Year from Your Reading Specialist!

Dear Parents and Guardians,

I hope this message finds you well and that you had a great summer. As we prepare for the upcoming school year, I wanted to take a moment to introduce myself and share a bit about what we have planned for our students.

My name is Tiffany Schoppe and I am excited to be your child's Reading Specialist this year. My role is to support and enhance your child's reading development through individualized instruction, targeted interventions, and a love for reading. I believe that with the right tools and encouragement, every child can develop a strong foundation in reading.

Here's a brief overview of what you can expect:

****1. Personalized Support:**** I will be working closely with students to identify their reading strengths and areas for growth. Each child will receive personalized instruction designed to meet their unique needs.

****2. Engaging Activities:**** To make reading enjoyable, I will incorporate a variety of engaging and interactive activities that cater to different learning styles. My goal is to foster a lifelong love of reading.

****3. Regular Communication:**** I am committed to keeping you informed about your child's progress. I will provide regular updates and are always available to discuss any questions or concerns you may have.

****4. Home Support:**** To reinforce the efforts at school, I will provide you with tips and resources to support your child's reading development at home. Your involvement is crucial, and together we can make a significant impact.

I am thrilled to get to know your child and work together to support their reading journey. If you have any questions or would like to discuss your child's specific needs, please do not hesitate to reach out. I am here to help and support both you and your child.

Thank you for your partnership and support. We look forward to a fantastic year ahead!

Warm regards,

Tiffany Schoppe
