

# Cosmic Starliner Pitch:

Author: James “Dragon Master” Courneya

Genres: Battle Shounen, Adventure, Sci-Fantasy, Sci-Fi, Drama.

Series Length: 15 Volumes.

## Synopsis:

Jetting across the stars is paradoxical train. In a vast universe that this unknowable endless train could instantly travel to, it seems to pick planets that are in its death throws. And like divine intervention that train makes another stop to change the course of yet another planet’s history.

A desert planet running out of resources, with the heat constantly increasing. Across Tūdisuna society has broken down to criminal rule and fighting for survival. However, everyone would far prefer to live under tyrants or brave some raiders, rather than trek through Lost Lands and face a World Grinder.

The twin-Scavengers bear through this harsh world, until one happens across a particular item. No, it’s better to say that something brought these two together. Armed with a way to fight back Adyant, and his sister Amita, seek to save their world.

## Characters:

### Voyagers:

Adyant:

Arsenal: Eviscerator – Chainsaw weapon that specializes in tearing through things.

Shrapnel Shot: The Chainsaw can tear into and crunch up raw material, impower it, then shoot it back out.

Amita:

Arsenal: Spinner Thread

Creates wiring. That can wrap around or whip opponents. Can stab into and deliver a tase.

Cables can be thin metal or rubber coated.

Chain Strife: Forms cuffs that have long chains coming off of them. More power, less precision than cables.

Izanami Seer:

Arsenal: Cosmic Creation: Can build things which he understands. Including Arsenals and all other tech.

Arsenal Armageddon – Can summon forth a bunch of weapons he can alternate between. They can be spread out across the battlefield or focused on to one specific spot for large attack.

Habit: Need to understand new interesting tech.

Bio: Was the prodigy child researcher for his planet.

Character Design:

A middle aged man. Medium build with wavy brown hair. Part of his weight is on a wooden cane. His attire is prim, with a white overcoat, yet still mobile. Like a field researcher. His face has defined, striking features. A pair of rectangular glasses sit on his face. However, an onlooker might not even notice them, because they are more likely to be lost in his eyes. The depth and piercing nature of those dark eyes are like looking into the abyss.

Eriu Morrigan:

Arsenal: Raven:

Bio: Wants to cultivate the other members of the Starliner.

Character Design:

A moderately tall woman with striking looks. Long voluptuous orange hair and gentle green eyes. She's wearing a white shirtdress with black buttons, an asymmetrical hem flowing skirt, Bishop sleeves, and turned down collar. A matching black, off shoulder top. With a large black ribbon tied around her waist.

Bubbles:

Arsenal: Bubble Blower: Ball – Can create little balls with expressions that can morph, mold, split, and bounce. They can also make little explosives balls. Stretch it into a shield, or form the ball around people.

Character Design:

A brightly smiling girl with shoulder length blue hair. Large sparkling purple eyes. She's of average height and build, standing a little taller because of the platform of her shoes. A half sized, reflective, slightly translucent, pink and blue blend jacket. Under the jacket is a white T-shirt, with a red heart over her chest. Black mid-length shorts with a white belt. A white loop coming off said belt. Two dark earstuds. Black choker around her neck with a hollow silver heart latching it together. Thigh high white socks with a pink gradient. White shoes with thick platforms.

Yu Huang:

Arsenal: Magnetizer: Weapon made of magnetic material. Pusher/Puller down his arms. They can form together to make a staff. A throwing shield. Or various floating rings that can be moved around without psychical contact. (More compact, less control. Less compact more control).

Character Design: Shaggy black hair. Eyes like jade spears. He has on a sleeveless black Tang suit with green patterns resembling sheet music. The knots and trim in the same bold green. Large baggy black hoodie with neon dark green interior. Compression black arm sleeves that go up to his shoulder. Puffy black pants. Green and black Yunpeng shoes.
