

Ryu Matrix - Music Producer & Arranger

About Me

Hello! I am Ryu Matrix, and I am a music producer and arranger. I specialize in electronic dance music based on and inspired by video game music (VGM). I have released arrangements with GameGrooves (an independent VGM label), collaborated with numerous other VGM musicians, and received multiple nominations in the Game Music Remix Awards. I have been producing music & mixing in Logic Pro since late 2017.

A blue poster with a star and musical note pattern. At the top left is the 'RYU MATRIX' logo with a red slash through it. To its right is the title 'Music Commissions' in a large, bold, white font with a black outline. Below the title are four white boxes with blue borders containing text. On the right side, there is a cartoon character of a person with black hair and red eyes wearing red headphones, and a PayPal logo at the bottom right.

Production/Mixing Tutoring

- Let's discuss!

Terms and Conditions

- All prices can be flexible for difficulty, duration, negotiation, etc.
- I can refuse a commission for any reason.
- 50% of the payment will be due early in the process, and the other 50% will be due upon completion.
- I plan to share WIP updates as I work on the song.
- Revisions are permitted as long as they are not excessive.
- If I am unable to complete a commission, a refund will be processed.
- No hard deadlines unless otherwise agreed on. Songs could take at least one month to complete, depending on how busy I am in general.
- The final song will be delivered as WAV & MP3 files (M4A is possible too).
- We both share rights to the song. Commercial or personal use of the song is permitted as long as I am credited. I can upload the song to YouTube, share it on socials, add it to my portfolio, and distribute it to streaming services.
 - If the mix includes a track that you do not own the rights to, then commercial use is prohibited.
 - You can link my YouTube channel (<https://www.youtube.com/@RyuMatrix>) and/or Linktree (<https://linktr.ee/ryumatrix>) when crediting.
- No reselling of my music.
 - If you would like to distribute the song to streaming services, then we can discuss royalty splits.

- My music may not be used with AI, NFTs, or related uses.
- Payments are accepted via PayPal only.
- Everything is subject to change as I figure more things out and see how things go!
