

2025 Middle School Math Summer Learning Program

Overview:

This summer, Warwick Public School students will continue using i-Ready's Personalized Learning program, **My Path**, as well as Learning Games to practice skills and concepts they know and still need additional practice. Students have worked hard to develop skills and concepts this year. Continuing on this path will assure understanding and readiness for the next school year!

Learn more about i-Ready here: [i-Ready.com/Tour](https://www.i-ready.com/Tour). See below for additional guidance and learning expectations.

Which students are participating in summer learning?

- All incoming 6th-8th grade Middle School students
- **For students entering Algebra 1 Honors, please click [here](#) for your summer work.**

What are the Learning Goals?

- **Lesson Completion: 1 or 2 lessons passed per week**
- **Minimal Expectations: 10 lessons passed**
- Track weekly minutes/lessons using the tracker below.

How do students access the program?

- Students should be using their school department issued device and signing in with their @warwickschools.org account.
- Access Clever & locate the iReady App
- If a personal device is being utilized: Students can log into the Chrome browser with their @warwickschools.org email account to access all the steps above. This should provide them with access.

<https://clever.com/>

How do I track my Summer Learning participation?

- Each student will receive a [iReady Tracking Sheet](#) (sample)
- This tracker will be turned into their Math teacher in September 2024.
- Each school will determine the incentive!

Mathematics			One thing I learned this week...
Week Of	Minutes	Lessons	

Who will be monitoring?

- The Curriculum Office will be monitoring summer learning progress from June 21 - August 3, 2024
