# **NHS IB Course & IB Exam Request Form**

Submit via email before 2/1 to: towlen elzbieta@svvsd.org

When thoughtfully selected, "Individual IB Courses can provide access to IB education for all students who can benefit from the educational experience these courses can provide." This form must be completed and submitted to the NHS IB Coordinator in order for any IB course/s request/s to be reflected on the NHS student's schedule. Please review each of the below listed items carefully before signing.

# By reviewing and checking each of the boxes below and signing this page, you are acknowledging the following:

<ul> <li>□ The IB recognizes four categories of IB registration categories: (1) IB Diploma Anticipated the IB Diploma), (2) IB Diploma Candidates (Seniors pursuing the IB Diploma), (3) IB Course C Seniors undertaking one or more IB courses), (4) Retake Candidates (IB students retaking IB e Students undertaking any number of IB courses are considered IB students and IB Course Ca Student enrollment in IB courses is elective and suitable for students committed to completi assessment components associated with these courses, including internal and external assessment sinclude recorded oral assessments, investigations, research proposals portfolios.</li> <li>□ External assessments (May IB exams): essays, structured problems, short-response question text-response questions, case studies, and multiple-choice questions—used only in one section. IB students are expected to uphold the IB's and their school's standards of academic integrious text-response questions, case studies, and multiple-choice questions—used only in one section.
