THANK YOU!

The San Luis Valley Fair Board acknowledges the fine assistance of all the superintendents, communities, 4-H/FFA members, and their families who have contributed in many ways to making this Fair and past Fairs a success. We take this opportunity to thank all of you as well as our sponsors, and the buyers who have and will again support our SLV Fair Junior Market Livestock Sale. The Fair is an excellent example of communities working together for the good of all.

Thank you to each and every one who contributes to this effort!

2024 JUNIOR MARKET LIVESTOCK SALE BUYERS & ADD-ONS

Many thanks to Brady Stagner for volunteering his services at the Livestock Sale!

We encourage you to support the businesses & individuals that support the 4-H & FFA members.

SLV FAIR JUNIOR MARKET LIVESTOCK SALE BUYING POOLS

Do you want to support exhibitors at the Livestock Sale but don't want to purchase a whole animal alone?

Partnering with a neighbor or contacting one of the following buying pools is a great way to support the Sale.

Kiwanis Club of Center

The Kiwanis Club of Center has as one of its major projects, the pooling of community funds for the purpose of maintaining a floor on the price of the livestock sold at the SLV 4-H FFA Livestock Auction. This floor guarantees that all youth have a fair return for their efforts of livestock production projects and are able to bank some money. The youth use their money to pay feed and other expenses, and then set some aside for the next years project or for college expenses.

"We do not want to purchase all the animals but we want to see all the youth earn a fair return and to show a profit for their labors."

Junior Livestock Sale Boosters

The Jr. Livestock Sale Boosters has a mission of improving the SLV Fair Sale by having an unbiased approach in upholding the sale prices of the market animals and improving the profitability of the market animal projects. We accomplish this by actively bidding on and purchasing animal projects in the SLV Fair Sale as well as providing add-on money for projects that appear to have sold below market, based on conditions in sale orders, placing and animal species.

SHOW YOUR APPRECIATION!

We encourage you to support the business and individuals that support our 4-H and FFA members! Take time to not only say thank you to our sponsors and buyers, but also support them as a customer. Our fair would not be possible without their contributions.

SAN LUIS VALLEY FAIR POLICIES

1. The San Luis Valley Fair is an educational activity created to evaluate each participant's progress and accomplishments through interview judging, showmanship, preparation of educational displays, demonstrations, etc. The Fair is also a venue for promoting new recommendations and practices in agriculture, home economics, natural resources and youth programs.
2. The San Luis Valley Fair Board, composed of appointed representatives from Alamosa, Conejos, Costilla, Mineral, Rio Grande, and Saguache Counties, coordinate the Fair. The members of the San Luis Valley Fair Board determine policies, approve expenditures, develop a Fair program, and provide awards for exhibitors. The Fair is held in cooperation with the local Colorado State University Extension 4-H program, and San Luis Valley FFA programs.
3. A 4-H/FFA exhibitor or other individual may use a "protest" to review enforcement of the rules, regulations, policies, and judging procedures printed in this book. All protests shall be considered by a quorum of the San Luis Valley Fair Board. Protests must be in writing and accompanied by a fee of \$150 in cash or certified check. The protest shall plainly state the cause of the protest and shall be delivered to a San Luis Valley Fair Board member no later than 8 (eight) hours after occurrence of the alleged incident. Compliance with this policy is mandatory prior to seeking review. Judging will not be interrupted by a protest. The fee imposed shall be refunded if the matter is resolved in favor of the person bringing the protest. The decision of the Fair Board is final.
4. All reimbursements in connection with the 2025 San Luis Valley Fair must be presented to the San Luis Valley Fair Board before October 10, 2025, or will be void.
5. The San Luis Valley Fair Board and staff will use reasonable diligence to ensure safety of exhibits after their arrival and placement, but in no case will they be responsible for any loss or damage done to, occasioned by, or arising from any animal or article on exhibit. The exhibitors shall indemnify the San Luis Valley Fair Board and staff of all legal or other proceedings in regard thereto. The placing of any exhibit on the show grounds by any and all exhibitors shall signify the exhibitor's agreement to abide by this policy.
6. The San Luis Valley Fair does not discriminate on the basis of race, color, sex, religion, age, disability, sexual preference, veteran or marital status, or national origin in its policies or activities.
7. The mention of any company or association is made with the understanding that no discrimination is intended and no endorsement implied.
8. Possession of alcohol, illegal substances, firearms, or illegal weapons is forbidden during Fair activities. Any violation of this policy shall be grounds for expulsion from the Fair and ejection from the premises.
9. The San Luis Valley Fair Board has the final and absolute opportunity to determine if any person has violated any of the rules, regulations, and policies printed in this SLV Fair Book and to settle and determine all matters, questions or differences arising out of, connected with, or incident to a violation of these rules, regulations, and policies. Any person who violates any of these rules, regulations, or policies may be subject to forfeiture of all privileges, awards, and premiums and to such other penalty deemed appropriate by the Fair Board.

2025 FAIR ENTRIES AND PAYMENTS MUST BE POSTMARKED AND/OR RECEIVED NO LATER THAN JULY 11, 2025. ANY ENTRY RECEIVED OR POSTMARKED JULY 12, 2025 THROUGH JULY 18, 2025 WILL BE SUBJECTED TO A \$50 LATE FEE PER EXHIBITOR. NO ENTRIES WILL BE ACCEPTED AFTER THIS DATE. NO EXCEPTIONS.

OPEN CLASS

Superintendent: Brandy Myers (719) 849-1522

Entry Fee: no entry fee for this contest

General Rules and Regulations

1. The San Luis Valley Fair Board will use all care possible to ensure the safety of the entries; however, under NO CIRCUMSTANCES will they be responsible of loss, or damage done to, occasioned by, or arising from any article on exhibition.
2. Each exhibit must be entered under the name of the person who made it.
3. All exhibits must have been completed since August 1st, 2024.
4. Exhibits that do not follow class description will be disqualified. Ribbons will be awarded in all classes, if merited.
5. New classes may be created on entry day only when the following condition is met: When there are two or more entries which do not logically fit into established classes.
6. County Fair classes are not necessarily descriptive of or included as classes for entry at Colorado State Fair. See www.coloradostatefair.com for entry rules for State Fair.
7. Open classes are categories that all community members are invited to take part in.
8. Items left after pickup time will be available for pick up at the Extension Office. (If items are not picked up within 30 days after checkout, they will be given to charity.)

All Open Class Departments have six age categories as follows:

Department 5 - In the Cupboards

In the Cupboards Rules: Exhibits must be made by the exhibitor and not previously entered at the SLV County Fair. Please see individual divisions for rules.

Canned Goods

1. All canned and jellied products must include the following information on the label: name of product – method of preparation – method of processing and pounds of pressure used if food was pressure canned - altitude at which processing was done – date of processing. The recipe is strongly recommended to be included, but not mandatory. REMEMBER TO ADD ALTITUDE ADJUSTMENT TIME TO RECIPE YOU ARE PREPARING.
Example
Product Pitted cherries
Method: Raw pack (water bath or pressure canned)
Time: 28 minutes (pints)
Altitude: 7,600 feet
Date: September 2024
2. Jellied products and other canned products must be displayed in the U.S. standard jar (i.e. Ball or Kerr). Two-piece matching lids must be used.
3. Acceptable canning methods include pressure canned or hot water bath. It may be necessary to open home canned food entries to inspect for judging purposes. Judges will use their own discretion as to whether or not they will open and taste canned products. Directions for different methods are available from the SLV County Extension Office and local libraries. Products with paraffin (wax) seals will not be accepted.
4. Including the recipe is beneficial
5. Head space (the unfilled jar space above the food and below its lid) should be ¼ inch for jams and jellies; ½ inch for fruit, pickles and tomatoes processed in hot water bath; and 1 to 1 ¼ inch for low acid foods, vegetables, meats, etc. processed in a pressure canner.
6. Judging for fruits, vegetables, meat, fish and soups is based on appearance (50%), pack (40%), and container and labeling (10%).

4-H GENERAL & CONSUMER SCIENCE

Indoor Building

Overall 4-H General & Home Economics Superintendent: Kallie Shawcroft (719) 992-1720

Entry fee: \$2 per project

Premiums:

Division Champion	\$100 plus award
Division Reserve Champion	\$75 plus award
Unit Champion	\$10
Unit Reserve	\$9
Blue Award	\$8
Red Award	\$7
White Award	\$5

Members will be paid on all placing awards. Premiums will be distributed to exhibitors by the Fair Board at a later date.

4-H General Exhibit Regulations

All exhibitors are expected to help with their set up or tear down assignment. Please see the schedule for set up and tear down times.

1. Exhibit entries will be done online.
2. All Home Ec. & General 4-H exhibitors will report with their projects to the designated Superintendent for each department during check in time (see schedule). Signs will be posted indicating where projects may be checked in.
 - a. Interview judging will be scheduled during Check-In. The exhibitor will be given an estimated time of interview from the Superintendent. Generally, interview slots are given on a first-come, first-served basis, but preference will be given to kids participating in concurrent shows.
 - b. Interview judging is an evaluation technique designed to provide the 4-H member an opportunity to discuss with the judge achievements accomplished, improvements needed, and plans for advancement in the project. Participating in the interview process is optional. The choice to participate in the interview judging will not affect the final exhibit placing.
3. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose project work (must be the 4-H member's own work and sources must be cited; plagiarism will not be tolerated) and records are certified and up-to-date and deemed eligible by the appropriate Extension Agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
4. Review specific exhibit requirements in the Colorado State Fair Exhibit Requirements document, available on the Colorado 4-H website at: <http://co4h.colostate.edu/statefair/StateFairExhibitReq.pdf>
5. 4-H members may enter only once in the same class from each county.
6. If a member enrolls in two units of the same project (for example, Unit 2 and Unit 3 of Leathercraft), the member must exhibit in the higher level – Unit 3 in this case). When a member takes two units at the same time, the member should master the skills of the lower unit and therefore exhibit in the higher unit.
7. Members must be enrolled in the project (these projects may be broken down into units, levels or categories) in which they exhibit.
8. A completed record book must accompany all exhibited 4-H projects; not having a record book will result in a disqualification.
9. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging. Each exhibit requires a sturdy binder. Do not use record book binders that are clear plastic with sliders.
10. All parts of the exhibits (includes record book) must be accompanied by a completed label containing the Name, Age, Project, Unit and County of the exhibitor. For security reasons, do not list the member address on projects.

11. Display boards must meet the specifications. The standardized display board size of 4 ft x 3 ft is to be used for 4-H projects.
12. Most projects are divided by Junior, Intermediate and Senior age groups. The age for Juniors is 8-10, Intermediates is 11-13, and Seniors is 14-18. All ages are determined as of December 31 of the current enrollment year.
13. All exhibits must be displayed and remain on display for the duration of the fair. Any and all exhibits that are removed prior to release on Friday, after the sale begins, will forfeit all awards.
14. Any exhibit released for Fashion Revue must be returned for display on the same day.
15. The management will not be responsible for loss or damage to exhibits, though it will use all care to ensure their safety.
16. All exhibits not selected for the State Fair will be released on Friday, August 8 after the Livestock Sale begins.
17. **Baked goods such as food and/or cake exhibits that qualify for State may be redone and returned to the SLV Extension Office no later than noon the Monday following the fair.** All other (non-food) indoor projects selected to go to the State Fair will be taken by the Extension Staff at time of project release Friday evening. (Exhibitors may come into the Extension Office between 10 am & noon on Monday to make any changes to projects or record books before they go to the State Fair. All changes must be completed in the office.)

Fair Judging/Ribbon Awards

1. 4-H projects are judged upon the following quality and standards, each exhibit is awarded a Blue, Red or White award ribbon:
 - a. **Blue:** A blue ribbon is awarded to projects with minimal to no corrections needed and 80% project completion.
 - b. **Red:** A red ribbon is awarded to projects with substantial corrections and 50-79% project completion.
 - c. **White:** A white ribbon is awarded to projects who meet less than 50% project completion.
2. The judge will determine which project(s) deserve to go to the Colorado State Fair. Only projects with a blue ribbon are eligible for a State Fair ribbon. Unit and Division Champion status does not matter. Only 1 exhibitor per unit, per age group, per county is allowed to attend the state fair.
3. **Unit Champions**
 - a. Each Unit may award one Unit Champion and one Unit Reserve Champion per age group, if merited.
 - b. Only Blue award exhibits will be considered for Unit Champion and Unit Reserve Champion ribbons.
4. **Division Champions**
 - a. Only Unit Champion or Unit Reserve Champion exhibits will be considered for Division Champion and Division Reserve Champion.
 - b. Division Champion and Division Reserve Champions do not go by age.

For all Area & State exhibit requirements and Classes refer to the 2025 Colorado State Fair 4-H Exhibit Requirements.

Junior Livestock Auction BBQ

Hosted by Farmers Union and District 8

**FRIDAY
AUGUST 8
4:00-6:00 PM**

Enjoy a great meal of pulled pork, baked beans, coleslaw dessert and more on Friday night before the SLV Fair Junior Market Livestock Sale!

Proceeds help support the Valley 4-H clubs and counties. These groups do community service, perform 4-H outreach, and provide funds to local 4-Hers to attend leadership camps and conferences.

Buy a ticket at the door!

The San Luis Valley Fair Board is proud to support the youth that have put in hours of sweat, tears and hard work all year to complete their livestock projects. Each livestock exhibitor is allowed to choose one animal to sell in the Junior Livestock Auction. Through the support of the generous buyers and sponsors of the sale, these youth are shown that this valley truly believes in them!

GENERAL LIVESTOCK RULES

The San Luis Valley Fair Board expects all individuals to practice ethical and humane treatment of animals consistent with accepted animal husbandry practices. The following are termed “unethical practices”:

1. Surgical procedures, drugging, tubing, or injecting (any oil, glycerin or like substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance
2. Striking animals to cause swelling, using electrical contrivance, or other similar practices
3. Altering, changing, defacing or modifying of the markings and the anatomical structure of an animal
4. External applications of such things as liniments and blistering agents (irritant, counterirritant, or similar substance) that would cause an edematous condition.
5. Use of ice packs or other refrigerants to alter the quality of the finish of an animal.

Any exhibitor/individual found guilty of any of the above listed or any other practice deemed unethical by the San Luis Valley Fair Board may be subject to forfeiture of all privileges, awards, and premiums and to such other penalty deemed appropriate by the Fair Board, or may be subject to prosecution under CRS 18-9-207 Tampering or Drugging Livestock.

The following practices are not allowed:

1. Towels immersed in ice water; wet towels only will be acceptable.
2. An artificial tail head or tail fin, artificial poll, or adding any hair or hair like substance.
3. Removal, alteration, changing, or purposely damaging ear tags.
4. Decorating animals with any unnecessary trappings during the judging.

DESIGNATED AREA MAP

*Once market livestock animals are unloaded, they are NOT allowed in the **red** shaded area for any reason.*

10. All entries in this show are subject to the General Livestock Rules.
11. Barrows that are not going to participate in the 4-H/FFA Market Swine Show need to be removed from the grounds immediately following the show.
12. The Open Barrow Show does not qualify any participant for the SLV Fair Junior Market Livestock Sale.
13. 4-H/FFA Market entries must be reweighed at regular weigh in.

JUNIOR LIVESTOCK DIVISION

Overall Livestock Superintendent: Mark Brown (719) 588-1551

GENERAL LIVESTOCK RULES & REGULATIONS

NOTICE TO ALL LIVESTOCK EXHIBITORS:

Stalls and pens must be kept neat and supplied with necessary clean bedding. Wood shavings will be available for sale at a reasonable rate. Dairy goats may use straw but it must be cleaned upon check-out. Wood shavings will be allowed in all pens for bedding. Exhibitors may use muzzles, please see species specific rules for more information.

1. By submitting a fair entry, each animal exhibitor and their parent/guardian agree that they have read the policies, rules, and regulations printed in this book and will abide by them. It also indicates that they understand the consequences of, and penalties provided for actions by the policies, rules, and regulations. It is further consent that any action, which contravenes these rules and is in violation of federal or state regulations, may be reported to appropriate law enforcement authorities with jurisdiction over such infractions without recourse against the SLV Fair Board.
2. **ALL MARKET LIVESTOCK EXHIBITORS MUST ATTEND THE MANDATORY MEETING, SEE SCHEDULE FOR LOCATION AND TIME. PACKETS MAY ONLY BE PICKED UP BY THE EXHIBITOR, AND IF NOT PICKED UP, EXHIBITOR WILL NOT SHOW OR SELL ANIMAL(S).**
3. The Livestock Building will be closed from 10:00 pm-6:00 am while livestock are present.
4. **2025 FAIR ENTRIES AND PAYMENTS MUST BE POSTMARKED AND/OR RECEIVED NO LATER THAN JULY 12, 2025. ANY ENTRY RECEIVED OR POSTMARKED JULY 13, 2025 THROUGH JULY 19, 2025 WILL BE SUBJECTED TO A \$50 LATE FEE PER EXHIBITOR. NO ENTRIES WILL BE ACCEPTED AFTER THIS DATE. NO EXCEPTIONS.**
5. All exhibitors are expected to help with their set up or tear down assignment. **There will be a \$50 fee charged if the exhibitor does NOT help with set up and clean up within their project area. This fee will be deducted from their Sale Check.** *Horse specific set up/tear down times are listed in the horse section.
6. Only San Luis Valley 4-H/FFA members enrolled and in good standing, in the current year's program may exhibit in this Division. Members must be enrolled in 4-H/FFA for the project they exhibit and every animal must be a 4-H/FFA project.
7. No 4-H/FFA exhibitor shall conspire with another person(s) to intentionally violate these rules or knowingly contribute or cooperate with another person(s) either by affirmative action or inaction to violate these rules. Violation of this shall subject such individual(s) to disciplinary action. The application of these rules provides for absolute responsibility of an animal's condition to the 4-H/FFA exhibitor whether or not he/she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of these rules.
8. Exhibitors of animals at the SLV Fair shall at all times comport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. All leaders working with 4-H/FFA exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. When an individual or exhibitor is guilty of unsportsmanlike conduct the SLV Fair Board can suspend the privilege of the person to attend or participate in future San Luis Valley Fairs for such a period as judged appropriate.
9. 4-H/FFA leaders, fitters, breeders, parents, and family members (over the age of 12) may assist exhibitors in fitting, caring for and handling livestock. Such assistance must be educational and demonstrational, or a matter of safety, and the exhibitor must be present and actively involved when such assistance is provided. The SLV Fair Board has the right to disqualify an exhibitor for disregarding this rule.
10. The exhibitor must own breeding animals by May 1, 2025 (Beef, Goat, Sheep, Swine, Dairy, Poultry, Egg

Production Poultry, and Exhibition Poultry). Exhibitors must prove ownership, by bill of sale or registration papers, if requested by the Superintendent. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

11. The exhibitor must own market animals by beginning weigh in/tag date. No substitutions can be made due to loss of an animal after June 1, 2025. Eligible exhibitors from the same family (siblings or same guardian) may weigh/tag family extra animals equal to 1 less than the number of family members in that project (Example: 3 exhibitors in a market project may tag/weigh up to two extra animals). This will only apply to enrolled 4-H/FFA members of the same family. Changing tagged and identified animals between family members will not be allowed.
12. The Exhibitor must own Market Turkeys and Waterfowl by May 15, 2025.
13. The Exhibitor must own Market Chickens by June 15, 2025.
14. Beef, goats, lambs, and pigs must be ear tagged on beginning weigh in/tag dates. Swine must be ear tagged and ear notch verified. Lost tags must be reported to a Fair Board member, Extension Agent or Species Superintendent within 48 hours upon animal losing the tag. No animals will be tagged at final weigh in: NO TAG – NO WEIGH IN. See specific divisions for final weigh in and Check-in dates, times, and entry fees.
15. All poultry must be banded on banding day, please contact the Extension office or Superintendent for more information on banding dates & procedures.
16. Market animals are allowed to cross the scale only one time at final weigh-in (except, swine, meat goats and sheep weighing within two pounds under minimum weight or two pounds over maximum weight) in which they may be immediately re-weighed if the exhibitor chooses.
17. Each exhibitor may enter up to four (4) market animal entries per species (including poultry and rabbits).
18. The same animal cannot be shown in both breeding and market divisions.
19. All 4-H/FFA livestock exhibitors will be assigned an exhibitor's number that must be worn by the exhibitor while showing.
20. All animals must be on grounds and entered at the time designated to be eligible to show.
21. Animals must be shown by the 4-H/FFA exhibitor, however, the Fair Board may allow another SLV 4-H/FFA exhibitor to substitute in showing in case of illness, injury, or death. If an exhibitor has two animals in the same class another SLV 4-H/FFA exhibitor may show one of the animals.
22. All animals need to be fed and watered at least twice daily, and otherwise cared for during the Fair. Exhibitors are expected to help keep exhibit areas, grooming areas, and barn perimeters clean and attractive. All animals and other exhibits should be kept clean and in a presentable condition at all times. The Superintendent or SLV Fair Board reserves the right to feed and water neglected animals. Any animal deemed neglected will not be eligible for exhibition or sale.
23. No parents or leaders are allowed in the show ring unless the Superintendent approves them.
24. A veterinarian will be on call during the San Luis Valley Fair. All animals will be subject to health and soundness inspection; it is mandatory that all animals be checked for evidence of infectious or contagious disease. Animals showing evidence of contagious or infectious diseases or any animal originating from a herd under quarantine because of an infectious or contagious disease shall be ineligible for admission. An ill or unsound animal will not be allowed to participate. The Veterinarian, SLV Fair Board and/or the Superintendent will release any animal during the Fair, found to be non-acceptable.
25. Any market male animal that exhibits the characteristics or traits of an intact male may be disqualified at any time. Cryptorchid or short scrotum animals will not be eligible to show or sell.
26. At any time after an animal arrives at the Fair, the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered or supervised by a licensed veterinarian with the species superintendent, and a written report filed with the San Luis Valley Fair Board and placed in the official entry book. A Superintendent or the SLV Fair Board has the right to call for the services of a veterinarian in the treatment of a sick animal (if the exhibitor is not available). Any veterinary fees are the responsibility of the exhibitor.
27. The San Luis Valley Fair supports and endorses the USDA Wholesome Meat Act and requires all exhibitors

to be in compliance. The extension office will hold all compliance forms and report who is not in compliance before the fair begins.

28. Animals shall be presented at the SLV Fair where they will enter the food chain free of volatile drug residues. The act of entering an animal in the SLV Fair is the giving of consent by the 4-H/FFA exhibitor to the SLV Fair Board to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor or absolutely responsible person to prove otherwise.
29. If any animal, exhibitor, or individual is being a danger to themselves or others, the SLV Fair Board and/or the Superintendent may disqualify the animal, exhibitor, or individual and take other appropriate action for the wellbeing and safety of all SLV Fair participants.
30. No animals may be released from the Fairgrounds without prior approval of the species Superintendent. All non-sale animals must be removed from the Fairgrounds by 8:00 pm on the Thursday before the auction, or a \$100 charge will be assessed.
31. The species Superintendents will make stall or pen assignments. It shall be at the discretion of the superintendent, not club, superintendents have the discretion to change pen assignments.
32. Each animal exhibited will be awarded a placing ribbon through 10th place.
33. The first-place animal of each class will compete for Breeding/Market Division Champion. After the Breeding/ Market Champion is selected, the second-place animal in the class furnishing the Champion then competes with the remaining first place animals for Reserve Breeding/Market Champion.
34. If the Superintendent divides the entries into classes for the objective of determining breed champions and the result is less than 5 entries in that class, then only plaques and/or rosettes for Grand and Reserve Champion breed awards will be given.
35. Market animals that qualify for feeder or overweight classes will not be eligible for Grand or Reserve in their prospective market species show or for the Junior Livestock Sale.
36. Animals will not be allowed beyond posted designated areas, see the map in this book [Here](#).
37. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official or judge will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent and not the judge. The Superintendent will then take the question to the judge(s) if warranted.
38. Direct criticism or interference with the Judge(s), Fair management, other exhibitors, or show officials before, during, or after the competitive event is prohibited and may result in disqualification. In the furtherance of their official duty all judges, Superintendents, and other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them. All questions or comments must be directed to species Superintendents.
39. All entries are also subject to specific species regulations printed in this book.
40. All livestock project exhibitors are required to complete a record book to complete their project. They must submit completed record books to the Extension office by Friday, September 12, and score a minimum of 70% on them to be eligible to enroll in that project the following year. Members who do not achieve the minimum 70% will be contacted and given one week to pick up their record book, make corrections and re-submit it to achieve a passing score. Youth who do not turn in their record book, or meet the minimum score requirement, will not be allowed to enroll in that project or compete in the fair in that area in the next 4-H year.
41. All livestock exhibitors are required to wear appropriate show attire when competing. Shorts, tank tops,

low-cut shirts, sheer blouses, flip flops, t-shirts, shirts with inappropriate messages or logos, ball caps, hats, or bare midriffs are not acceptable attire and may not be worn during a show event. Recommended dress is as follows: long or short-sleeved, button-down shirt or blouse, clean jeans or slacks with belt. Hard soled, closed-toed shoes or boots are recommended to protect feet. Rabbit and Chickens: jeans or slacks and long-sleeved shirts are preferred for safety. Dairy Cattle and Dairy Goats: white shirts and pants are recommended. The Fair Board or superintendents may refuse anyone improperly dressed entry into the show ring until said exhibitor is properly dressed.

42. Drenching will be allowed for cattle, sheep, and goats for hydration purposes only. An animal may only be drenched by the exhibitor or his/her parent/guardian. Drenching may not occur on the fairgrounds until after weigh in and until the waiver has been signed. Before any animal may be drenched by the exhibitor or the parent/guardian, a waiver must be signed and on file in the fair board office. The waiver releases the fair board of all liability to the animal that is being drenched. The animal's identification tag must also be on file.
43. Abuse of an animal in any form will not be allowed. Electric prods will not be allowed at any time. Any violation of this rule will result in immediate disqualification with no recourse.
44. Skin Conditioning products may be used as needed before and during judging. Exhibitors are allowed to enhance, but not change the natural color of the animal before and during judging. Markings must remain their natural color. For example white hair must stay white, black hair must stay black, red hair must stay red. No products may be applied for the sale or after as they could affect meat quality.
45. The San Luis Valley Fair Board expects all individuals to practice ethical and humane treatment of animals consistent with accepted animal husbandry practices. The following are termed "unethical practices":
 1. Surgical procedures, drugging, tubing, or injecting (any oil, glycerin or like substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance
 2. Striking animals to cause swelling, using electrical contrivance, or other similar practices
 3. Altering, changing, defacing or modifying of the markings and the anatomical structure of an animal
 4. External applications of such things as liniments and blistering agents (irritant, counterirritant, or similar substance) that would cause an edematous condition.
 5. Use of ice packs or other refrigerants to alter the quality of the finish of an animal.
46. The following practices are **NOT ALLOWED**:
 1. Towels immersed in ice water; wet towels only will be acceptable.
 2. Adding an artificial tail head or tail fin, artificial poll, or adding any hair or hair like substance.
 3. Removal, alteration, changing, or purposely damaging ear tags.
 4. Decorating animals with any unnecessary trappings during the judging.
47. In cases where unethical fitting or other unethical practices appear to have been attempted, the SLV Fair Board may appoint a veterinarian, official, or committee to inspect the entry. The Fair Board will follow a course of action based upon the findings and conclusions of the examining veterinarian, official, or committee.
48. All arena equipment is off limits to all exhibitors and guests unless it is being utilized for animal husbandry and shows. Penalties could include disqualification from the fair, loss of awards and possible forfeit of participation in next year's fair.

Any exhibitor/individual found guilty of any of the above listed or any other practice deemed unethical by the San Luis Valley Fair Board may be subject to forfeiture of all privileges, awards, and premiums and to such other penalty deemed appropriate by the Fair Board, or may be subject to prosecution under CRS 18-9-207 Tampering or Drugging Livestock.

ALL DECISIONS OF THE SLV FAIR BOARD, SUPERINTENDENTS, OR JUDGES ARE FINAL.

An official photo must be taken of the animal you plan to sell. Seller must pick up the Buyer Thank You Photo, and the Buyer's Thank You Received Form, from the Extension office. Take this photo, and any other thank you gift you choose, to your buyer and have the buyer sign the Buyer's Thank You Received Form. You are responsible for getting the form to the Fair Board by October 6, 2025 or you will not sell in 2026.

SLV FAIR SALE RULES & REGULATIONS

See specific species regulations for additional sale rules or qualifications.

1. Only 4-H/FFA market livestock projects successfully exhibited and placed at the SLV Fair are eligible for the SLV Fair Junior Market Livestock Sale.
2. All Grand and Reserve Champion Market Beef, Swine, Sheep and Goats must sell. This also applies to exhibitors who have more than one Grand or Reserve Champion animal.
3. An exhibitor may sell only one animal (with the above exception), but may choose which species to sell if more than one species is shown.
4. Exhibitors MUST complete a sale designation form for each sale animal. Completed Sale Designation Forms and photo release forms must be turned in to the SLV Fair Office by 9:00 pm/or 1 hour after the end of the last market show (whichever is later).
5. The exhibitor is liable and will stand the loss without any recourse against the San Luis Valley Fair, if any drug residue is found rendering the carcass of any market animal unusable, as determined by an inspection officer at the packing plant.
6. Order of the 2025 SLV Fair Junior Market Livestock Sale:
 - Poultry and Rabbits, Swine, Beef, Sheep, Goats
 - All Champions, then All Reserve Champions.
 - Herdsman Award winners, then Born & Raised champions
 - Sale will consist of 1/3 of each species on rotation.
7. Each SLV Junior Market Livestock Sale animal will be charged 3% of the purchase price, proceeds going to the SLV Fair Board. Sale photographs will be charged, and the buyer 4-H Dinner tickets will be charged at cost.
8. THE SALE ORDER WILL BE STRICTLY ENFORCED. ONLY EXHIBITORS & ANIMALS PRESENT IN SALE ORDER WILL SELL.

HERDSMAN AWARD

Since special effort is required by livestock exhibitors to present their exhibits, Herdsman Awards are given. The following criteria will be used by species Superintendents for selection of the award recipients:

- A. Sportsmanship
- B. Cleanliness of stalls and/or animals
- C. Neatness of area around pen or stall
- D. Promptness in the show ring
- E. Courtesy to judges and others
- F. Regularity of feeding and watering of stock
- G. Respect and care of facilities
- H. Number of species and animals taken care of

AWARDS

Herdsman Awards may be presented to an individual 4-H or FFA member participating in the following Breeding and Market Livestock projects: Beef, Goat, Sheep, Swine, Dairy Goats, Poultry and Rabbits.

BORN & RAISED

Entries in these classes will be judged immediately following feeder classes for Beef, Swine, Sheep and Market Goats.

1. The purpose of the Born and Raised division is to promote and recognize exhibitors who are involved in animal production.
2. All General, Livestock and Department rules apply.
3. These classes are open to all Junior exhibitors who show a market goat, lamb, swine, or beef that was born to a dam that was owned by the Exhibitor or by a member of the immediate family (Mother, Father, Brother or Sister) at the time of birth. The animal must be born and raised in one of our six exhibiting counties (Saguache, Rio Grande, Alamosa, Costilla, Conejos and Mineral). Exhibitors may be asked to prove ownership. Failure to prove ownership will disqualify animals from the contest and exhibitors will relinquish awards.
4. In order to qualify for the Born and Raised class the animal must be entered and shown in their regular market class, make market weight and/or be market ready as described in each species market rules.
5. Born & Raised competitors should enter their animal(s) in the Born & Raised class, in addition to the general market class.
6. Feeder class and overweight animals are not eligible for Born & Raised.

AWARDS

Grand and Reserve Champion in each species.

SHOWMANSHIP CLASSES

1. One showmanship contest will be held for each species (Beef, Sheep, Swine, Market Goat, Dairy Goat, Poultry and Horse).
2. **Exhibitors should pre-register for showmanship classes online when submitting Fair entries.**
3. Participants must use their own animals to participate, and are responsible for the grooming and preparation of the animal.
4. There will be Junior, Intermediate and Senior divisions in showmanship contests. Age divisions will be: Junior (8-10), Intermediate (11-13), and Senior (14-18) including eligible FFA Members, as of December 31, 2024.
5. Champion, Reserve Champion, and through fifth place will be chosen for each species and age division.
6. Premiums will not be awarded for showmanship classes.
7. Any exhibitor winning a position in more than one species must declare which species they will use in the Round Robin contest. Exhibitors must declare species to be shown by the completion of the last showmanship class of the fair. If not declared by this time the alternate from the same species will then fill the vacant position at the Superintendent's discretion.
8. An animal must show in another class to be eligible to show in the showmanship class. Look at individual species sections of the book for class, fee and judging information.

AWARDS

Grand & Reserve Champion by age division

ROUND ROBIN SHOWMANSHIP INFORMATION

1. Exhibitors earn their placement in this contest during the species showmanship contests for Beef, Market Goat, Swine, Sheep, Horse and Dairy Goat.
2. All contestants must supply their animal for the contest. Additional animals will be selected to make up classes of ten. Animals will be selected and substituted at the species superintendent's discretion.
3. Contestants will be allowed to exhibit their own animal when competing in that species.
4. Exhibitors will be competing in their age groups - Senior, Intermediate, Junior - at the same time, on a rotating schedule of species.
5. Each rotation will be 15 minutes in length including the change to a new species.
6. Exhibitors who place 1st or 2nd in showmanship in more than one species must declare the species they will represent in Round Robin immediately following the last species showmanship contest.
7. No individual, who is not an exhibitor in the Round Robin, or a member of the Fair Board on official business or designated by the Horse Superintendent to help with the running of the competition, may enter the horse arena at any point between the start and end of the Round Robin competition.
8. The dress code for Horses can be found in the Horse section of the Fair Book under #12 of the Horse Regulations, see the Western (and Gymkhana) Division dress code. The Horse Superintendent will provide cowboy hats for the exhibitors who do not have access to one to use in the competition.

AWARDS

Grand & Reserve Champion by age division

Overall Champion Showman (highest total score)

The awards will be announced (5-10 minutes) before the Junior Livestock Sale Friday night starting at 6 pm. All contestants need to be in the McMullen Building before the Sale to be prepared to receive their award.

Division: MARKET SWINE

Entry fee: \$5 per head. - No fee for Born & Raised classes.

Market Swine Regulations:

1. All entries are subject to the General Livestock Regulations & Rules.
2. All hogs and ear tags must be washed, and cleaned prior to weigh-in, **after weigh-in and during the show**. Those not clean will be disqualified.
3. Market swine must be tagged and ear notched on the day of tagging. Any animals not brought to that event must contact the superintendent to get tags and identification forms. All market swine must have at least one notch in each ear. If any part of the identifying information is incorrect or missing on forms submitted by families that didn't attend the tagging date, the animal(s) may be disqualified at fair weigh in and not allowed to show.
4. All Jr. market hogs must be born after December 15, 2024.
5. Prior to final weigh in, all swine entries will have ear tag and healed ear notches verified with their nomination card. Any discrepancy in ear notches and ID tags will result in the entry being disqualified.
6. Market swine will be weighed and divided into as near equal classes as feasible by breed at final weigh in.
7. Market classes will be offered in the breed divisions listed below with the order of show, from lightweight through heavyweight divisions, in the following order:

Dog Regulations

1. Refer to 2025 Colorado State Fair 4-H Contest Requirements for Dog Trials pages 14-45.
2. If a member's dog does not receive a Rabies inoculation as required by the State of Colorado or a Parvo Virus shot as required by Fair Officials for all 4-H Dog Project participants, a certificate from the member's veterinarian stating the reason for these shots not being given must accompany the Dog ID.
3. Dogs must be on a leash at all times except when performing exercises off leash in the show ring.
4. Additional vaccinations may be required when necessary.
5. 4-H Dog Show officials and/or staff can and will dismiss any entrant or his/her family from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment," 4-H staff and/or officials will meet to decide appropriate action in each case.
6. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official or judge will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent and not the judge. The Superintendent will then take the question to the judge(s) if warranted.
7. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by the Superintendent.
8. Protests must be submitted in writing and presented to the Superintendent within 24 hours after judging is announced. Protests will be handled by the Fair board.
9. All entrants will be responsible for cleaning up after their dogs. Failure to do so can be a basis for dismissal from the 4-H Dog Show and/or forfeiture of any placing.
10. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the superintendent, the judge(s) (if willing), and the leader and/or agent from the county involved (if present).
11. The Colorado State 4-H Dress Code is to be followed by all 4-H members, as well as adult leaders, advisors, and chaperones at all Colorado State 4-H sponsored events. Please check out the Colorado State 4-H Dress Code at: www.colorado4h.org. In addition to the State Dress Code please adhere to the 4-H Dog Handlers Dress Code. **For more detailed information check out the Dog Resource Handbook.**
12. No dogs are allowed beyond the immediate vicinity of the Indoor building.
13. Entrants will pick up their armbands the day of the show. Each exhibitor will have the same armband number for all dogs he/she is exhibiting.
14. No set-up will be allowed anywhere near the rings. Allowable set-up areas will be designated and no one will be allowed to set up in any other areas. Spectators must stay at least ten feet from the ring.
15. Dog project members must complete record books prior to the fair. Record books are due by 4:30 pm on Monday, July 21, 2025 at the CSU Extension Office in Monte Vista. Record books will be scored prior to the

show and these scores will be used in calculations for the Supreme award.

The general age groups for Dog Project are:

1. Junior 8-10 years
2. Intermediate 11-13 years
3. Senior 14-18 years

Age is determined by the member's age as of December 31, 2024.

EXHIBITOR ELIGIBILITY RULES:

1. Member must be enrolled in the 4-H Dog Project.
2. All exhibitors must have complied with each county's eligibility requirements.
3. The member must own his/her project dog individually or partnership with immediate family members or guardians during the complete duration of the project year. The member must provide the majority of care for the dog(s). Entrants will be encouraged to use the Animal Care and Housing Form for Colorado 4-H Livestock Projects.
4. To qualify for State Fair exhibitors must achieve at least one qualifying score in each class of exhibition. Qualifying scores are 170 and above in Obedience and Showmanship and 70 and above in Rally. An acceptable record book must also be done and meet all guidelines required by the county.
5. Each exhibitor may exhibit a different dog in obedience, showmanship, and rally provided they meet qualifications (refer to rule 3). A member may be entered in multiple Obedience or Rally classes with different dogs, but each member may only enter Showmanship once.

DOG ELIGIBILITY RULES:

1. All dogs must have a Dog ID form on file with the CSU Extension Office by May 1, 2025. This form is to be completed electronically thru the 4HOnline system.
2. After once earning a qualifying score in competition as a 4- H project dog in Obedience or Rally, that same dog is no longer eligible for exhibition in that same division at any following fair except Grad Novice, Open, Grad Open and Utility Obedience classes and Rally Advanced-Excellent class.
3. A dog with any other rally or obedience title from any national dog association (AKC, UKC, CKC, ASCA etc.) is disqualified from entering the class for which the degree was awarded, or any lower class, except if that title was won less than four months before the fair. If the title was won less than four months before the 4-H State Dog Trial the dog is eligible for entry in the same class. Rule 2, above, takes precedence over this rule.
4. Bitches that are in heat, obviously pregnant, or lactating will not be allowed to compete in any classes.
5. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog's physical disability needs to be addressed between the handler and project leader before starting the project. An approved veterinarian or qualified veterinary technician's decision on doubtful cases will be accepted as final.
6. Dates of approved current and effective vaccination of the dog for rabies and parvo-virus must be provided on the entry form. Each entrant is also required to enter this info into the state Dog ID electronically on the 4HOnline system and have it submitted by May 1, 2025.
7. If the qualified dog in Showmanship is injured or in season, a replacement may be used at the approval of the Superintendent. The replacement dog must fulfill all of the "dog eligibility requirements", must be carried in the member's record book, and must have a health certificate on file with the county office.
8. No dog with a physical or mental condition that would significantly impair their performance may participate. Some examples of these include (but are not limited to) hip dysplasia, disc problems, severely slipped stifles, shoulder problems, or being overweight. All 4-H'ers are highly encouraged to consult their veterinarian before beginning ability training. All dogs competing in agility are required to have medical certification form signed by a veterinarian. A judge, superintendent or the county trainer at state and county events will have the authority to stop the performance of any dog whose soundness

they question.

Obedience & Showmanship
