Introduction (First subtitle; bold in first capital letters)

The introduction should include three things: (1) the issues studied; (2) The importance of issues; and (3) Method/ way the author discusses the issue that is presented clearly, briefly and densely.

The introduction (also the next text) is written with Times New Roman font size 12 and space 1. Foreign language words or phrases are written italic, while Arabic-Latin transliteration writing refers to Arabic-Indonesian transliteration according to SKB 3 Menteri.

Discussion (Second Subtitle, written in bold with the first letter of capital)

In this section, subtitles are written according to the content of those subtitles. This section is the main part of the article. This section should contain clear and scientific analysis and findings. The discussions in each section are comprehensively, logically, and systematically described. If there is a table, it should be written in the following format:

Table 1: Table Headings

No	Detail 1	Detail 2	Description
1			
2			
3			
4			
5			

Data Source:

Example of Table and Figure

Table 1. / Figure 1.

Title of Table (12pt, bold)

Discussion II (Third Subtitle, written in bold with the first letter of capital)

In this section, subtitles are written according to the content of those subtitles. The discussions in each section are comprehensively, logically, and systematically described.

Conclusion (bold in first capital letters)

In this section, the author writes the closing words in the form of conclusions from the results of analysis or discussion and suggestions or recommendations for the next research project. Authors can also reward those who have contributed to the research.
