

Wallify – Privacy Policy

Wallify ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how Wallify handles any user or device information.

1. Information Collection

We do **not collect**, store, or share any personally identifiable information from users of the Wallify app.

2. Use of Third-Party Services

Wallify uses the **Pexels API** to fetch and display high-quality, royalty-free wallpapers. We do not transmit any user data to Pexels or any other third party.

You can view the Pexels Privacy Policy (<https://www.pexels.com/privacy>) for more information.

3. App Permissions

Wallify may request the following permissions:

- **Internet access:** To load wallpapers from the Pexels API.
- **Storage access** (if applicable): To allow users to download wallpapers to their device.

These permissions are strictly used for providing app functionality and not for data collection or tracking.

4. Children's Privacy

Wallify does **not target children under the age of 13**, and we do not knowingly collect personal data from children.

5. Changes to This Privacy Policy

We may occasionally update this Privacy Policy. When we do, we will revise the "Last Updated" date at the top. We encourage users to review this policy periodically.
