

Imagine you could go back in time and talk to your younger self. What advice would you give yourself? What would you tell yourself to do or not to do? What would you warn yourself about?

Before you begin, write down any vocabulary that you will need to tell this story.

Do NOT write full sentences. Just write down useful vocabulary words.

If you don't know the word in English, you may use a dictionary, ask your teacher, or ask your classmates.
