

How to register for the SAT

[If you prefer, follow the instructions in this video](#)

1. Go to www.collegeboard.org
2. Either click “log in” or “create an account”
3. Click “My SAT”
4. Click the yellow “Register for the SAT” button.
5. If you have a fee waiver code, click “Got a Code?” just below the blue box and enter it there.
6. Click the yellow “Get Started” button.
7. Enter your information. **You MUST answer EVERY question that has a ***
8. **School information enter 221920 for MTRS and search for High School.**
9. At the bottom of each page, hit continue. *Note - for many of the * questions you can select “I do not wish to respond.”*
10. You can skip the questions that ask about coursework, activities, arts and music etc... (they do not have a * and are solely for informational purposes.)
11. When you get to “Select date and testing center” read the terms and conditions, scroll to the bottom, check the box and click the yellow “Continue” button.
12. Select “United States”
13. Select “SAT”
14. Choose your test date For Spring 2026, the main SAT test dates are March 14, May 2, and June 6, 2026
15. Click the blue “find a test center,” and search either by zip code or name.
 - a. *Deerfield academy is the closest test center site. They are offering the SAT on May 2nd.*
 - b. *Amherst and Brattleboro Union are offering the test on March 14th and June 6th.*
16. Confirm the details of your registration.
17. Upload a photo, click the yellow “Review / Edit Photo.”
18. Answer the questions and click the yellow “Submit”
19. Click the yellow “Check Out”
20. Select the device you will be using to test.
21. Review your information.
22. Click the yellow “Confirm”
23. Check all of the circles so you have a green check mark and the “I confirm this information is accurate” box. Click the yellow “confirm” button.
24. Select your payment method (this should be 0 if you have a fee waiver) and hit the blue “submit” button.
