A hand-drawn sketch of a data visualization dashboard. The top section features a line graph with 'RATE' on the vertical y-axis and 'DAY' on the horizontal x-axis. The graph shows a line that starts at a low point, rises to a peak, dips to a local minimum, rises to a second peak, and then levels off. To the right of the graph is a small rectangular box labeled 'Edit'. Below the graph is a section labeled 'Summary:' followed by several horizontal dashed lines for text entry. At the bottom of the dashboard is a navigation bar containing four square icons: a house, a person, a square, and a circle.

A hand-drawn diagram of a hospital layout. At the top is a box labeled 'HOSPITAL'. Below it is a row of three boxes: 'Your Healthcare provider' (with a person icon), 'Online' (with a computer icon), and 'MAKE AN APPOINTMENT' (with a calendar icon). Below this row is a box labeled 'OTHER Healthcare providers' (with a person icon), which is connected to a box labeled 'On duty' (with a person icon). Below 'On duty' is a box labeled 'Emergency' (with a person icon). At the bottom is a row of four boxes: 'Inpatient' (with a person icon), 'Outpatient' (with a person icon), 'Emergency' (with a person icon), and 'Ambulance' (with a person icon).
