

Dear Heights Families,
We had a wonderful 2 days back to school. All of the classrooms had activities planned that gave the students and teacher opportunities to connect with each other and set classroom expectations as a team. I hope your child came home and shared their day with you, and some of the exciting things that they did with their new classmates.
There are several items to keep in mind, please mark things on your calendar.

Important Information:

- **Note from the Nurse -**

- [Welcome from Nurse Brianne](#)

- If you have address or phone number updates that happened over the summer please notify the main office. It is very important that we have accurate information about each child.

- All Heights students must have a Sharon address, residency requirements need to be adhered to, please make sure if you have any questions or concerns you contact my office. If we have any questions about residency we will reach out to you.
