Go to your scoresheet

Click on A+ Charm

Click on Scoresheet.

The image shows the PowerSchool interface. On the left is a vertical sidebar with the following items: 'A+ Grading' (highlighted in blue), 'Students' (with a group of people icon), 'Progress' (with a bar chart icon), 'Reports' (with a document icon), and a gear icon at the bottom. To the right of the sidebar, the 'A+ Grading' section is expanded, showing a list of options: 'Assignment List', 'Scoresheet' (highlighted in light blue), 'Categories', and 'Grades'. A red arrow points from the 'A+ Grading' menu item to the 'Assignment List' text. Another red arrow points from the 'Scoresheet' option to the 'Scoresheet' text. The 'Scoresheet' option is underlined.

Click on black triangle

Click on round arrow in score inspector - Grade should average correctly now and black triangle will remove.

Do this for all students with arrows.

Remember to save when complete.
