

Meeting Notes

1. Funding and purchasing equipment, such as furniture, IT, kitchen appliances, and audio equipment. => Tie it with the DB contract "Contractor to purchase". Brenda will ask and give a reply to SFA.
 - a. Estimated \$3M Ph1
 - b. Lump sum for CIP equipment
 - c. CIP Project completion
 - d. Work with Patric Oyadamari
2. Space program update from Liz
 - a. Phase III changed to 500 from 550, which nicely divides up among the classrooms
 - b. FADS output is 42 classrooms (28 for K-3; 24 G4-5), but the count does not match the 39 (26+13) classrooms provided by Liz. (BL)
 - c. We do not always need 1500 ft² for pre-K sped. (BL)
 - d. Sometimes we use resource services as a classroom.
 - e. We need three more general classrooms. (BL)
 - f. K, 1, 2 = 6, 5, 5, 5, 4, 4 classrooms?
 - g. Breakout and instructional commons are the ones we do trade-offs.
 - i. Ed spec is on hold. These square footage are reduced when building a larger library, for example.
 - h. DOE use "program area" not "net".
3. Can we add a gender neutral shower/toilet?
 - a. 2x staff (male, female)
 - b. 2x gender neutral shower/toilet
 - c. The office is typically closer to the locker room.
 - d. We put the washer/dryer in PE. They can be shared with first aid. Increasing inter-school athletics.
 - e. We do not do bleachers for middle school. With bleachers, it will increase the toilet requirement.
4. Elective FADS = 8 rooms, Liz table is less.
 - a. A fitness room is typically an optional room that the teacher can use for a non-regular classroom
 - b. We need a classroom for PE
 - c. PE and health as a general classroom
5. Need a good path from the locker to the classrooms, students should not pass two dumpsters and trucks.
 - a. Dumpsters must be 50ft away from any kitchen doors.
6. Honouliuli, opened 6th, building was late (bid protest) so we brought in three portables for grade 7, the following year more portables.
7. We do not need 1200 sqft faculty center.
8. Honouliuli has two single-use facilities, one in the corridor that can be used as a gender-neutral space.

9. DOE wants a residential fridge in a break room (teacher planning center?).

10. CSSS

- a. Two waiting rooms
- b. Separate list, e.g., large conference 700 (350 + 350) in each of the regular (ES + MS) school
- c.
