Elementary and Middle School Tutor

Innovative Education Solutions is growing its team and has a part-time opening for an in-person and remote elementary and middle school tutor. In this role, you will:

- receive training in instructional and facilitation strategies
- provide in-person and remote tutoring and instruction in elementary school topics to students in grades K-8
- extend and enrich the learning of students as needed
- adhere to proper COVID protocols (masks and social distancing) as required

Qualifications:

- minimum of a bachelor's degree
- strong communication skills
- strong background in math and literacy, with training in Orton-Gillingham, Wilson Reading, Singapore Math, or Russian Math a plus
- successful experience as a teacher and/or tutor working with school-age children
- teacher certification and advanced degree are preferred, but strong candidates who do not possess these will be considered
- diverse candidates are encouraged to apply
- must have reliable transportation
- must be available during afternoons and evenings after 3:00pm
- must be available to work a total of at least 2-10 hours per week
- must be able to provide both in-person and remote tutoring in assigned geographic areas
- starting pay range $30.00-$40.00 per hour, depending on education and experience
- employee review and incentive opportunities available

This is a W-2 employee position, not a contracted opportunity.

As a condition of employment, all candidates must successfully pass a background and CORI check.
