

How to schedule teacher conferences in Family Access.

The screenshot shows the Skyward Family Access homepage. The top navigation bar includes the Skyward logo, "Family Access", and a dropdown menu for "All Students". On the right, there are links for "My Account", "Contact Us", and "Email History". A sidebar on the left contains a list of navigation links: Home, Information Request Form, Ethnicity/Race, Calendar, Gradebook, Attendance, Student Info, Food Service, Schedule, Teacher Conferences, Skylert, Health Info, and Login History. A yellow callout box with a pointer to the "Teacher Conferences" link contains the text: "Select Teacher Conference on the left hand side to schedule your child(ren) for parent teacher conferences." The main content area is mostly obscured by the callout box, but an "Upcoming Events" section is visible on the right.

The screenshot shows the "Teacher Conferences" page within the Skyward Family Access system. The top navigation bar is identical to the previous screenshot. The sidebar on the left is also identical, with "Teacher Conferences" now highlighted. The main content area is titled "Teacher Conferences" and contains a "Scheduled Conferences Report" section. This section includes a link to "Print All Scheduled Conferences" and a row of buttons: "Select All Conferences", "View Scheduled Times", and "All Conferences". The "Select All Conferences" button is highlighted with a yellow callout box. Below the buttons, a message states: "No teacher conferences are scheduled for this student."
