Harvest

Harvest is a time of hard work
A time of working together
Many hands make light work
Harvest is a time of gathering
Gathering in the food for coming months
Harvest is a time for taking stock
For knowing what is there and what is needed
Let your time of harvest be a time of renewing
A time to find what is in store for you!
(RAH Aug26)

Philippians

- A Harvest of Joy
- Shine Humbly
- Press on

Paul in writing to the Phillipians reminds the people that they are part of
Jesus' family.

If you feel able think what it means to be part of a family, it might not be your actual family but a group of people you connect with in some way.

Being a **FAMILY**
means *you* are a
part of something truly
WONDERFUL
It means *you* will
LOVE and be
for the rest of **LOVED**
your **LIFE** no matter
what!

Paul also reminds the people that it isn't always easy to be part of a family. Sometimes we struggle to love or work alongside certain people.

How do you respond when you find it hard to work/be alongside certain people?

A harvest of joy focuses on looking at what makes us feel joyful.

What would you put in a 'joy jar' to remind you of the things that are positive in your life?

Prayers from the Reading Guide for Philipians

God, Creator of all, may we notice you in others so that, together, we might be your good news in the world.

God of imagination, help us to hold a vision of a new heaven and a new earth. God of the present, help us to live with your creativity and grace so that with our neighbours we may work for renewal in your fractured world.
