

Lavender Scrub

Product Analysis

The Lavender Salt Scrub is designed to calm, smooth, and replenish the skin through a balanced combination of exfoliants, emollients, and botanical extracts. Fine sea salt (Maris Sal) lifts away dry, dull surface cells, creating a polished, refreshed canvas. Lavender oil provides a soothing aromatic experience while helping to comfort the skin. Shea butter and caprylic/capric triglycerides deeply condition without clogging pores, while aloe vera extract contributes a cooling touch that leaves the skin feeling soft and hydrated. Finished with a hint of grapefruit oil, this scrub brings both clarity and calm to the skin and senses.
