

Territory Days Sign the Petition Pick a time!

Our strategy for gathering signatures at this event is to focus on lines at the shuttle bus. Here are some important details to keep in mind:

We have two general areas for you to choose from. One is the Shuttle bus pick up area at Coronado High School. The other is the actual street festival on Colorado Ave. in Old Colorado City. We are playing this by ear to some extent, but we believe the shuttle bus pick up area will be the best place to approach people. Your choice! If you choose to go to the Colorado Ave. location, you may want to use the map in the program (available here: <https://online.fliphtml5.com/efgh/lidq/#p=1>) to find performance stages and approach people waiting for a show to start. You'll figure out what works best when you are there!

Here is the official information about the shuttle service:

**AVOID TERRITORY DAYS
PARKING HASSLES**

RIDE THE FREE SHUTTLE!
Park your car at Coronado High School

**The Old Colorado City merchants association is happy to offer
free shuttle service again this year for Territory Days!**

- Please note that due some major cost increases, we have been forced to reduce the number of shuttle busses in service and we are down to a single parking / shuttle location at Coronado High School.
- Patrons may encounter longer than normal wait times for the shuttle this year.
- The biggest back-ups will likely occur in the afternoons as folks want to leave the festival and get back to their vehicles. With this in mind, please plan your arrival and return trips accordingly.
- It is our aim for all of our friends to have the best possible experience at the 2023 Territory Days street fair. Thanks to everyone for your patience and support.

**FIRST SHUTTLE LEAVES CORONADO AT 10:30AM
LAST SHUTTLE LEAVES OCC AT 7:00PM!**

There are two sign-up pages, one for each location. Another thing to consider is that we believe the best times for the Shuttle pick up location will be in the morning. These times are shaded green. We are just not sure people will be approachable when they are making their “get away” from the crowds.
