

Poster Presentation Guidelines

1. Poster presentation will be selected based on the poster abstract submission.
2. The work may be based on either ongoing or completed research work (qualitative or quantitative), a case report, a case series, a concept paper, or a systematic review. Empirical or conceptual studies/papers are welcomed.
3. The official language is English.

Format of the poster abstract to be submitted

1. Arial Narrow font (11) with a total word count not exceeding **300** words excluding the title, authors, affiliations and keywords.
2. Presenters should submit an online copy of the abstract in a MS Word document format.
3. Content of the abstract:
 - a. Objectives: The content of the abstract must contain a brief statement of the objectives of the research/study.
 - b. Methods: The content of the abstract must also contain a brief description of the methods used.
 - c. Results/Findings: Essential results/findings, including data and, where appropriate, statistics, should be clearly stated in the abstract content.
 - d. Keywords: Include four (4) to six (6) keywords

Format for Online Poster

Size (inches)	Pixels (at 150 PPI)	Aspect Ratio
16:9 (Widescreen) Landscape Orientation	1920 × 1080 px	16:9

1. All poster presenters are required to **submit a recorded video presentation** of their poster.
2. The recording should:
 - Be **5 minutes** in duration
 - Clearly explain the **objectives, methods, findings, and conclusion**
 - Include **voice-over narration** while presenting the poster (screen-share format is recommended)
3. The poster must include following details: Presenter's name, affiliation, and title of presentation.
4. Accepted formats: **MP4 or MOV**
