

PRIVACY POLICY FOR GAMETIME WEATHER APP

This privacy policy governs your use of the software application GameTime Weather (“Application”) for mobile devices that was created by omSoft. The Application is for informational purposes only and allows users to view simple weather forecasts for upcoming games as well as selected player tidbits of information.

What information does the Application obtain and how is it used?

User Provided Information

The Application DOES NOT collect any user information either from within the app or from the operating environment of the mobile device.

Automatically Collected Information

The Application DOES NOT collect any other type of information about the user’s device.

Does the Application collect precise real time location information of the device?

This Application DOES NOT collect information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

No. Since the Application does not collect information about the user or device, it cannot share information with third parties.

Advertising

The Application may display advertisements to the user on the screen as they interact with it. The app developer has limited control over the types of ads shown as these are served up by a third party that delivers the ads via a separate channel that is outside the scope and control of the Application itself.

Advertisers and advertising networks may use some of the information from your device that is available to them via interacting with the operating system.

If you'd like to opt-out from third party use of this type of information to help serve targeted advertising, please visit the section entitled "Opt-out" below.

What are my opt-out rights?

There are multiple opt-out options for users of this Application:

Opt-out from the use of information to serve targeted advertising by advertisers and/or third party network advertisers: you may at any time opt-out from further allowing us to have access to your location data by changing the settings related to Ad serving on your mobile device.

Data Retention Policy, Managing Your Information

Since we collect no data, the Application DOES NOT retain user or device information of any kind.

Children

We DO NOT collect data from anyone of any age.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via App Store update. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which

activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at orestes.melgarejo@gmail.com.
