4.1 Zadatak 17. Namještaj

Before you start helping Laura decorate her room, let's investigate the [IKEA](https://www.ikea.com) website. Browse through the website and answer the following set of tasks?

Look at the section **prostorije** and write at least 5 items that are a must have in each room.

Radni prostor	
Spavaća soba	
Predsooblje	
Dnevna soba	
Kuhinja	
Vanjski namještaj	
Blagovaonica	
Kupaonica	

What items can you find under spavaća soba? Browse at least several sections in spavaća soba so you can list items that are relevant for you (i.e., something that you would potentially buy for your bedroom).

Odgovor:

Check the section **proizvodi**. Look again at the picture of Laura's bedroom and help her find stuff that you think she needs. Use IKEA Proizvodi section in order to decorate the room. Put everything that you want to buy in your košarica (shopping bag). When you have everything, list all the items you want to buy and how much each item costs. Finally, take a picture of your bag and paste it below.

Your spending limit is 600,00 euro (roughly \$665). Try to buy as much as possible.

Soba ima samo krevet i radni stol. Što želiš kupiti?

Tvoj odgovor:

4.1 Zadatak 18. Sandra kao prijateljica

In today's dialogue you heard Laura and Sandra making plans to go to IKEA. How would you interpret the following lines? What impression do you get about Sandra as a person and as a friend?

Sandra:	U subotu idem u Samobor posjetiti baku i djeda. Natrag sam u Zagrebu tek navečer, ali sam slobodna u nedjelju cijeli dan. Zašto?
	(...)
Sandra:	Da, naravno! Idemo zajedno. IKEA nije blizu, ne možeš ići sama.
Laura:	Hvala ti! Ja znam da ti imaš stila.
Sandra:	Da, ali ne kao ti. Ti imaš oko za detalje. Ti si umjetnica u duši. A što želiš kupiti?
