COMMUNITY STORM UPDATE: The community has been a busy place today. We had staging for repair crews at our back gates. The faulty underground lines have been replaced/repared and most residents should have power. There may still be a few under repair. Comporium was busy replacing the lines damaged on Friday as well.

Thank you for everyone that we've seen bringing food to the lineman and our staff...you are appreciated more than you know!

As we've driven the whole neighborhood today to make a list of items to address, I am in awe of how tidied up we look already and how we were truly spared in so many ways. Trees landed in ways that preserved vehicles and homes in many instances. As we hear reports from our neighboring towns, I am grateful for our inconveniences and feel blessed that we are all safe.

FROM CAAC: "We will definitely be in need of food after tomorrow. We were running low already!!!" Big needs; jelly and canned fruit. And NOT the large sizes. These are needed NOW! TODAY!!!

NATIONAL NIGHT OUT - Tuesday, October 1, 2024

CANCELLED

Now here's the information you would have received Friday had my normal Friday eblast gone out!

DEER SURVEY: Our annual deer survey was conducted last Monday morning at 4:30am. The survey resulted in 96 deer being counted which is a 25% increase from last year at this time. The annual community survey will launch soon and will continue to include a question about the deer population and your preference for addressing the deer issue. Please watch for the survey and give us your feedback.

POLITICS: We remind everyone that any signage, flags, banners or other materials of political nature are not permitted in River Hills. Thank you for keeping our neighborhood free from these items. Want to read the actual Rule? Page 5 of your Community Handbook under General Rules.

A colorful poster for a 'Trunk or Treat' event. At the top, the words 'TRUNK or TREAT' are displayed in a stylized font. 'TRUNK' is in white on a blue background, 'or' is in white script, and 'TREAT' is in various Halloween-themed icons (spiderweb, pumpkin, candy corn, spiderweb) on a black background. Below this, a blue car is shown from the back with its trunk open, revealing two jack-o'-lanterns filled with candy. The car is decorated with a string of orange and red bunting. To the left of the car, a yellow banner says 'SAVE THE DATE! OCT 27'. To the right, another yellow banner says '4 TO 5:30 PM'. At the bottom, a black banner provides the location: 'Community Church at Lake Wylie, 104 Hamiltons Ferry Rd.'. The background features a sunset sky with a crescent moon, stars, and falling leaves, and green bushes at the bottom.
