

CGF SONG LISTS (by genre/style)

Welcome to our style reference list!

Below is a broad list of songs and genres that have influenced our sound over the years to give you a snapshot of who we are. Our band and DJ libraries are ever evolving and songs will be added and subtracted regularly, but our signature sound remains true to who we are... a contemporary variety band with traditional sensibilities!

CREATIVE PROCESS:

We work together with our clients through email and phone consultations, our comprehensive style questionnaire, as well as offering options to send us playlists of your favorite songs (from spotify, apple music etc.) to get a practical look at who you are musically! We aim to deliver an eclectic range of all of your favorite genres by regularly overlapping classic and modern hits to keep our sets fresh and balanced. All hybrid bands include a DJ, so any special requests that the band doesn't know or feel won't translate properly live can be added to a custom request list and highlighted in your live DJ sets!

(OPTION BANK CHANGES SEASONALLY - CURRENT CLIENTS PLEASE CONTACT YOUR CGF AGENT TO REQUEST THE APPLICABLE SEASON'S QUESTIONNAIRE & SONG LISTS)
