Course Information

**Fashion Careers II**  
**Course Credits: 2.0**  
**Course Code: 846200**  
**Grade: 12**

*Counselors are available to assist parents and students with course selections. Families may arrange to meet with counselors by contacting the school's counseling department.*

**COURSE DESCRIPTION**

This course allows students to focus on the advanced technical skills necessary for careers in the fashion industry by continuing to develop skills in illustrating, draping, pattern making, garment construction, and marketing. Students explore opportunities for work-based learning and entrepreneurship within the fashion industry. This course focuses on applying fabric technology, demonstrating fashion design skills, using apparel production techniques, exploring responsible practices in the fashion industry, exploring the marketing of fashion, describing business operations, analyzing career paths and seeking employability in the fashion industry. This is a double-blocked course.

This course counts as an elective credit.
