

# Privacy Policy for Stasis

**Last Updated: February 22, 2026**

Stasis is built with a focus on privacy and a distraction-free reading experience. This policy explains what information is collected and how it is used.

## 1. Data Collection via Firebase

We use **Firebase Analytics** (provided by Google) to help us understand how the app is used. This service collects anonymous information such as:

- **Product Interaction:** Which features are used (e.g., play/pause frequency, speed adjustments).
- **Device Information:** Your device type and OS version.
- **Performance Data:** Crash logs to help us fix bugs.

## 2. No Personal Identification

We do **not** collect personal information that can identify you:

- We do not collect names, email addresses, or phone numbers.
- We do not sell your data to third parties.
- Your imported books (EPUBs and PDFs) are processed locally on your device and are **not** uploaded to our servers.

## 3. Data Usage

The anonymous data we collect is used strictly to:

- Monitor and analyze app performance.
- Identify and fix technical errors.
- Improve the reading experience for all users.
