

RioTECH Student/Parent/Guardian Agreement Form

At RioTECH, we are committed to Encouraging Growth, Empowering Change, and Engaging the Future.

Our mission is to inspire students to think differently, challenge the norm, and pursue innovative solutions. We foster a culture built on trust, integrity, accountability, and mutual respect. Through excellence and ethical action, we empower students to make a positive impact and reach their full potential.

Once enrolled, RioTECH becomes your home school. Below are the expectations and support programs available to you:

PROGRAMS AVAILABLE TO HELP STUDENTS

We want you to be successful and are invested in your success. We will offer many avenues to be successful.

Advisory Period

There will be potential opportunities for students to join an advisory period. This will be available to students to utilize this time as a study hall and ensure school work is completed.

Student Success Team Personnel

RioTech has a team of people who are there to assist students in addressing both personal and academic needs. The RioTech team can help students with a variety of topics and point students in the right direction. We make it a point to know our students and want to see each and every student succeed.

Summer School

RRPS offers summer school for credit recovery at student/parent expense. Students should ask the counselor for more information about these options.

Counseling

Sometimes students find themselves in difficult or confusing situations. For these situations, there are professionals on staff that can support student needs. School counselors are available to provide access to outside resources and provide guidance to your students.

Academic Success

Your success is of utmost importance to us. There will be opportunities for us to help your student through tutoring (during and/or after school), conferences as needed, academic planning, and potentially Saturday school to ensure academic needs are met

Student & Parent Expectations

ACADEMIC STANDARDS

1. You are expected to maintain academic standards that align with Rio Rancho Public Schools (RRPS) and Central New Mexico (CNM). Those who fail to meet these expectations will be placed on academic monitoring and an academic plan will be devised with the student, parents, counselor, and administration to ensure success within the program
2. If you fail a class with RioTech, you will be expected to make up your credit through Credit Recovery, Summer School, or other options as determined by student, parents/guardian, counselor, and administration
3. CNM is independent of RioTech and will adhere to their own academic standards, it is your responsibility to ensure that you understand what those standards are

ATTENDANCE STANDARDS

1. Attendance is important to your success within RioTech. We will follow the district attendance policy attached:
<https://drive.google.com/file/d/1wjOQErTwQxNW6P0A1-bRITL2Exe3Ywkw/view>
2. Excessive tardies can be detrimental to your success.
3. It is important to communicate extenuating circumstances with your counselor and administration

BEHAVIOR STANDARDS

RioTech will follow the RRPS Discipline Matrix. This can be found in your handbook. Please find attached the link to the Matrix:

<https://drive.google.com/drive/folders/1gvSKvR4jh1v-UATEU6iJWqm5mzcVSM88>

ACADEMIC MONITORING PROCESS

STEP 1: Students will be placed on academic monitoring if they fail to meet academic standards.

STEP 2: A conference will be scheduled with the parent/guardian to build a plan for next steps to address the concerns

STEP 3: A student may be required to partake in the following activities to meet the requirements of the program which may include but not be limited to: summer school, online credit retrieval, after-school tutoring, community service, campus beautification, or other school-based requirement.

RioTECH Student/Parent/Guardian Agreement Form

CNM

CNM is independent of RioTech and will hold to their own standards. It will be up to you to understand their policies around grades, behavior, and attendance

Students will be expected to put in the work, in collaboration with RioTEch personnel to meet the expectations of RioTech and follow the standards of CNM's policies.
