

- Thank you, Mr. Craft for making a great book!
- Thank you, Mr. Craft, for showing us and telling us your experiences as a writer and showing us your inspiration to be one, and speaking on some issues that are very important in our country at the moment.
- thank you!!!!!!!!!!!!!!!! i was drawing along with you during the presentation 'cause art kid squad and watching you draw was very motivating :) also wacoms are cool and you're cool and blm ok bye
- Thank you, Mr. Craft, for your amazing work and inspiring so many people around the world. We are truly grateful.
- Thank you Mr. Craft for bringing up the Black Lives Matter meaning. I really appreciate how you explained that it doesn't mean only black lives matter, but it means that they matter too.
- One thing I enjoyed in your presentation is you drawing because I also enjoy drawing
- Thank you, Mr. Craft, for writing a good graphic novel about your life and sharing what your childhood was like with us. I have read your books millions of times i love them as soon as the next book come out i will buy it
- Thank you for come to are zoom and telling us about ur work
- Thank you for explaining how you create your books, and showing us you drawing.
- Thank you for writing new kid I really liked it and I liked that you kept persisting when things got hard.
- Thank you, Mr. Craft for showing us how you draw and giving me in inspiration for my drawings.
- Thank you, Mr Craft, for giving us some of your time today and showing us how you draw. I thought that it was really cool to get to watch you and here about your journey of writing your books.
- Being with us and answering our questions.

- thank you for coming to zoom bigelow =) I really loved how your drawing when you showed us how you draw I thought that it was really cool to see how it came together! Thank you so much!!
- Thank you, Mr. Craft, for coming to Bigelow and telling us about your self.
- Thank you for being here because you are cool.
- Thank you Mr. Craft for coming and presenting today! It was very fun, interesting, and intriguing to listen about your story.
- thank you! I loved seeing your process as an art kid it was really cool to see you draw in real time also nice Wacom tablet man
- Thank you, Mr. Craft, for taking your time out of your day to visit us. I really liked how you started to draw on the computer. I love to draw as well!
- I really liked how he was drawing while answering the questions. It was really interesting to hear about how his life experiences shaped the whole book. Thank you Mr. Craft for coming to our zoom and it was super cool to learn about and see the beginnings of the book and about your new book.
- Thank you for coming I really enjoyed it and thought it was really interesting.
- Bringing diversity and something
- sharing how you got the idea of the book
- Thank you, Mr. Craft for coming and talking about your art and book, it was a very good learning experience for me because it is cool to see how artists work.
- coming and showing me the way of not believing people saying to do not do want i want to do for my future
- Thank you for taking time out of your day to come 'see' us, I really enjoyed watching you draw.
- telling us about your self
- Thank you for your visit! It was nice to learn some things about you, and some of your life experiences.
- Thx for visiting
- Thank you, Mr. Craft for taking the time to talk to us. I really liked how you were drawing while speaking and I thought it looked really nice.
- thank you great book
- Thank you for making a book about color because it is more interesting when its about color instead of non color people.

- Thank you, Mr. Craft, for drawing in your presentation. I really liked your designs and the way you drew Jordan.
- thank you for the visit to bigelow (especially drawing while sharing your screen☺️)!
- helping us understand your book better and telling us about yourself.
- Showing us your drawing process and spending your time talking to a bunch of middle schoolers that you couldn't even see.
- sharing your story to all of us
- Thank you, Mr. Craft, for coming in to present to us and teach us alot about working hard and never giving up
- Thank you for the drawing you made while zooming, I was always curious how the author of the graphic novel draw.
- Mr. Craft, thank you for coming to our school! I really liked seeing you draw over Zoom. We really appreciated the visit!
- Thank you for the art advice! you inspired me to keep drawing.
- Thank you, Mr. Craft, for showing how you draw your characters, because I feel like it's so cool how you could multi-task and how you don't even have to look at the down you just look at the screen in front of you. And how you watch Netflix and draw at the same time, because I would probably watch Netflix the whole time.
- thank you Mr. Craft for coming to are zoom meeting I really liked when you showed us your drawings thank you!
- Drawing because it was really cool to see how the characters are drawn
- Thank you for talking to us about the writing process of New Kid, I really liked how you got ideas from your ow experiences in school.
- Being awesome
- taking ur time to talk about ur books and why they are important
- Thank you ,Mr.Craft for comming to vist
- Thank you for taking time out of your day to visit us and tell us more about yourself and your books. Also I found your book the New Kid very intresting I can relate to Jordan in more ways than one. I hope to read Class Act soon.
- all of your advice about drawing, and all that cool insider stuff, I really enjoyed it.
- talking about your backstory. I like how you were always ridiculed about your work, but you never gave up. You ended making new kid and got what you deserved.
- Thank you for telling us how you made the book

- Taking your time to answer all of our questions. I really like your books.
- coming on zoom to talk about your book.
- coming to zoom ,and making new kid and class act
- Thank you, Mr. Craft for letting us see you drawing Jordan on the computer - that was my favorite part of your presentation.
- Thank you Mr.Craft for sharing and I really liked your animations in the book and the drawing at the end of the presentation.
- Thank you Mr. Craft, for taking the time to answer our questions and tell us your thoughts. I really liked the drawing you drew for us it was really good also thank you for the tips!!
- Taking time to talk about your experiences writing and experiencing new kid in your life
- coming to Bigelow.
- Thank you, Mr. Craft, for showing us how to achieve our dreams and do what we like to do.
- thank you for taking your time to visit us i really like your book and i am looking forward to reading your sequel stay safe and thank you very much
- taking the time to come visit
- Thank you Mr.Craft for teaching me that if you want something go for it and that you can achieve any of your dreams.
- Thank you, Mr. Craft, for taking your time to come talk to us about your books and art.
- Thank you Mr. Craft for offering helpful insight and sharing your process with us! I found it very interesting.
- PS. If you need actors for your live-action film, I'm in :)
- Thank you, Mr. Craft, for sharing the highly classified information of a new kid movie and Showing us what your drawing process is! I thought it was all really cool!
- Thank you, Mr, Craft, for teaching me how to get over writers block because I experience that a lot after I write for a long time.
- Sharing your time with us we really are very thankful
- time i loved hearing about your journey
- Thank you so much, not gunna lie you inspired me to draw and when you said even if you mess up just finish the drawing saved me a lot of paper because really if you

don't point out the mistake unless it is really big no one notices it, thank you for the inspiration and your right i have not found my book yet but i think yours will be a really good option. thanks again

- Teaching me about your life and how that changed new kid
- that a movie is coming out
- coming to the zoom or making the zoom.
- Being super cool
- comforting/teaching all of us with wise thoughts and showing the drawing process + medals
- thank you, Mr.Craft, for coming and talking to us about your life and book history. i really liked the part where you showed us how you draw
- you are so cool
- Thank you, Mr. Craft for visiting Bigelow.
- Thank you, Mr. Craft for showing us you drawing! It was really cool!
- Thank you so much for coming I think I really learned a lot about you and your book and I really liked how you talked about black lives matter!
- Thankyou, Mr. Craft, for the amazing presentation, you were so inspiring.
- Thank you Mr. Craft, for telling me how you related to New Kid
- Thank you, Mr. Craft for including what you use for drawing and how you use the different tools.
- I really liked how you were drawing while you were answering the questions because it was interesting to see how you draw.
- Thanks for showing us how you draw, and spending time with us!
- thank,Mr.Craft,for how you draw the new kid charter
- sharing your drawings and how you make them, because I was really interested in how you did that. Also, I liked hearing about the different books you've made.
- Thank you, Mr. Craft for using some of your time today to talk to Bigelow and to help us understand more about your books. I think you did a really good job!
- inspiring me to try to draw more
- Thank you, Mr. Craft, for talking about your art journey. I'm an artist too and I love art-ing, it's part of who I am. I haven't been very confident in my art lately even though I've been trying a lot of different styles and techniques, so thanks for (albeit

unknowingly) giving me that extra push that I needed to put myself out there even more with my art and take more risks.

- opening up your mind and artistry before us.
- Demonstrating how you draw Jordan, it was very cool.
- Thank you, Mr.Craft for showing us your drawing process I really liked seeing you draw Jordon while talking and bringing it to life in front of us.
- Its really cool how you do your drawing techniques
- Thank you, Mr. Craft, for showing us your steps for writing a book and drawing the illustrations.
- Thank you Mr. Craft for making awesome books!!
