Glenside Celtic Soccer Club – Attention parents of 7–10-year-olds

Hello Parents,

On behalf of Glenside Celtic Soccer Club, I hope you're enjoying winter and the many activities the season offers our children (and us as chauffeurs!) – whether that be basketball, hockey, volleyball, dance, theatre, chorus, etc.

We've been taking advantage of the season and the colder temperatures indoors with the Glenside Celtic Soccer's Winter Academy, as recently highlighted in the *Glenside Local*.

In looking ahead to the upcoming Fall 2026-2027 season, I'd welcome your consideration of Glenside Celtic Soccer, especially for girls and boys ages 7-10 (2^{nd} - 4^{th} grades). In addition to our experienced athletes, we're committed to helping younger girls and boys develop skills, fundamentals and importantly, communication and sportsmanship, while having fun learning to play soccer.

Since our club's inception in 2019 with a single team, Glenside Celtic Soccer has grown to include 20+ teams and 300 athletes. Our expansion is representative of the experience the club fosters among its players and families, encouraging a value-based culture, while fostering an unparalleled sense of community. We'd welcome you and your children to be part of our Glenside Celtic Soccer family this upcoming season.

Please do not hesitate to reach out to me at coaching@glensideceltic.com with any questions. You can also visit www.glensideceltic.com for more information about the Club.

Thank you and sincerely,

Tom Clark
