### Accessing this Resource:

Students login to the [WakeID Portal](#), then click on the Discovery Education icon.

### Intended Audience:

K-12 Students

### How to Use this Resource:

1. First, login following the directions above.
2. Next, click the links below to access resources related to ELA concepts:
3. Video clips exist pertaining to Chinese, French, German, Italian, Japanese, Russian and Spanish cultures and themes. Students can interact with the videos to learn more about the cultures for the languages they are studying. Spanish Language videos are also available in various topics including Science, Math, folktales, inventions, and animated video series, and more. Some videos can also be assigned for fast access to materials and tracking completion. Some supplemental material may be available for some videos, including worksheets, quizzes, word searches, and crossword puzzles.
