

Before you escape, you'll need to gather some supplies. You'll have to leave your cell (C116) and head up to your friend Billy's cell (C103.) He'll tell you where to gather your supplies. You don't know everyone but Billy does he is a lifer. Never met Antonio or Michael

When you get there, he tells you that you must gather these materials in order and then return to your cell.

- Antonio in B102 will give you 6 extra spoons.
- In B121, Steve will give you an extra towel.
- You will have to trade the extra towel to Michael in A214 to get 5 bars of soap.
- Finally, gather 2 extra pillows from Big Al in A208.
- 

Do this all quickly and don't forget to head back to your cell!
