Video Challenge

Make a video of yourself acting out a few things you would like for your guides and fellow warriors to guess. We will try and play these during some of our launches and have fun guessing!

- 1) Make a video of yourself acting out at least 3 things. DO NOT give the answers in the videos!
- 2) Prior to each action please let your audience know how many words are in the phrase or action are you acting out.
- 3) Share your video via email ssguides@thehumanistacademy.org

Ex. If you were to act out football, you would sign 1 with your fingers before starting. If you were doing Harry Potter, you would sign 2 with your fingers before starting.

ENJOY =)

Excited to see your videos!
