Dear Parents and Guardians,

Most of the digital resources available to students are located in our Single Sign-On platform. Many of these resources will be used throughout the school year. Please see the instructions below:

Please use Google Chrome to access Clever. Google Chrome can be downloaded here:
https://www.google.com/chrome/browser/

Students may log into Clever, by visiting:
www.clever.com/in/ehs
**Clever is also linked as an icon on the front page of each school's website.*

Choose "Log in with Google" and log in using student google accounts.

Student Google accounts are in the following format:
Username: (year of 8th grade graduation)(first name initial)(Last Name)@easthanoverschools.org
ie: 25jsmith@easthanoverschools.org

Password:
Grades K-3: Frogs123
Grades 4-5: Students have created unique passwords
Grades 6-8: Students have unique passwords

Once your child is logged into Clever, they are able to click on our digital resources to access their account. All passwords are saved. If they are not automatically logged in, please view, copy and paste the password into the textbook/resource log-in page as prompted by Clever.

Should you have any trouble accessing these resources from home, please email me at daagaard@easthanoverchools.org.

Thank you for your continuing support!

Sincerely,

Dana Aagaard
Supervisor of Curriculum and Instruction
