

Part 9 - The Mazzaroth, the Heavenly Scroll (TAURUS) mp4

To say today, I'm looking forward to the word of the Lord. We're picking up where we left off last week. We studied on Aries.

And like I said, if you're just joining us, we're talking about the heavenly scroll, which is called the

Mazaroth. And these are the 12 signs of the Mazaroth. Before Satan perverted the Mazaroth, Yahweh created it.

And Yahweh alone holds the title to the Mazaroth. Now as a Zedekite, you've got to learn how to read the Mazaroth. And that is why you have come to this class, because you are a Zedekite.

You are members of the Melchizedek order, which descends and brings forth an order of priesthood that needs to know this Mazaroth. We've gone through every one of the different signs

of the Mazaroth, starting with Virgo, and we're headed towards Leo. So now every symbol tells us

a part of the gospel of the kingdom.

And now we're ending with Aries and we're going to Taurus. Let's look at the symbol of Taurus, shall we? That is what? A bull, and it is a rushing bull. Notice that that bull is in a hurry.

Does anybody see that bull charging forth out of the heavens? Guess what that means? That means that judgment is rushing to the earth. Now, let me start back from the beginning. The first three signs are prophecies of what's going to happen in the future.

But the next sign, Pisces and Aries and Sagittarius and Capricorn, now these signs are about us.

Let's start again. The first three signs are prophetic about the end times.

But the next three signs are about you, which is the church, the house of Israel, represented with

Sagittarius, Capricorn, Aquarius, Pisces, and Aries. Now, everything that has to do with you and the day you're living in is coming to an end. Now we're going into the next set, which begins with Taurus.

And this all is prophecies of the coming of Yahshua. And this is why I tell everyone, if you don't know the heavenly scroll, and if you're just listening to modern day preachers, you will not know the gospel. This is where the gospel was written before it was ever written in your Bible.

So to find the true gospel, you've got to come here. And today we go to Taurus, and I want to teach you what Taurus is. All right, now to understand Taurus, we need to start off in the book of Psalms, chapter 44 and verse five.

Brother Morgan, if you would grab that for me. And then we're going to go to Isaiah chapter 11, 13 through 15. And let's see, I'll call on someone to have these ready so we can move quickly, amen.

Sister Jan Meadows, if you'll get that reference for me and Isaiah, which is Isaiah chapter 11, 13 through 15. And then Sister Rhonda Connor, if you would grab Isaiah 26 and 21. Now let's go. Psalms 44 and verse five is where we're starting. 44 and verse five is where we're starting.

Through thee, will we push down our enemies.

Through thy name will we tread them under that rise up against us. All right, you're breaking up pretty bad, Brother Morgan. Read it one more time.

And I'm going to show you what this symbol of Taurus means. This is a scriptural reference.

Okay, we're getting a bad echo there.

I want to show you what Taurus means and it's found in Psalms 44 and verse five. Try it again, Brother Morgan. Try it again, Brother Morgan.

Can you hear me good, Pastor? It's breaking up a little bit. We'll try to hear you, go ahead. I can't

hear you neither.

Okay, all right. Then let me get someone else right now to read that until your internet clears up. Through thee.

All right, then let's, let me get someone. Go right ahead. You want to try it again? Go right ahead.

Through thee, will I, let me try it again. Through thee, will we crush our enemies. Through thy name, will we tread them under that rise up against us.

Amen, thank you. All right, now what is this verse saying? Through thee, when you see that bull rushing forward, there's going to come a time when we are going to do what? We are going to crush our enemies. And this is what Taurus is representing, that time when we're going to crush our enemies.

Let me read that one more time for everyone that is just now joining us. Let's go Psalms 44 and five. And I want to put it on the screen because it is so important that you see what Taurus is representing right here.

Through thee, will we, notice what it says, through thee, will we, hallelujah. Through thee, will we

push down our enemies. Through thy name or in thy authority, will we tread them under that rise up against us.

This bull is the symbol of that day when you and I are going to join with Yahshua in pushing down

our enemies. Look at that image one more time, brothers and sisters. Look at that bull on the right.

Do you see it coming to push down his enemies? Now I need the church to wake up and hear me

now. There's coming a time when your enemies will fall under the feet of Yahshua. That time is coming very soon.

Let's read about that time. Sister Jan Meadows, if you have that reference, please. Isaiah chapter

11, 13 through 15.

The envy of Ephraim will depart and the adversaries of Judah will be cut off. Ephraim will not envy Judah and Judah will not oppress Ephraim, but they will fly down upon the shoulder of the Philistines toward the West. They will plunder the people of the East together.

They will lay their hand on Edom and Moab and the children of Ammon will obey them. Yahweh will utterly destroy the tongue of the Sea of Egypt. With his mighty wind, he will shake his fist over

the river and smite its seven streams and make men cross over dry shod.

Look at that picture on the right. That bull is on the way. This, you know, he came as a lamb, but that lamb nature is coming to an end.

The bullish nature, you ever heard of the bulls and the bears? That bullish nature is about to rise

on planet Earth. I know nobody preaches about it anymore. I know that the modern church is clueless to the coming of the Lord, but the bull is about to ride.

The bull is getting ready to charge forth. Let's read more about that bull and let's read about him in Isaiah 26 and 21. I'm reading from the book of Yahweh.

Verse 21 says, for behold. Go ahead, 21, yes, ma'am. For behold, Yahweh comes out of his place to punish the inhabitants of the Earth for their iniquity.

The Earth will also disclose her blood and will no more cover her slain. Now, this is the bull that's

coming. Nobody talks about this bull.

Everybody's too busy talking about sweet Jesus. Nobody preaches about the bull, nobody, because we don't wanna know about this bull. We don't wanna know that the bull is on his way, but if you're ever a part of First Harvest ministry, you're gonna hear about this bull because this bull is the next thing on God's calendar.

And notice that this bull is rushing and that this bull is not ever, ever, ever gonna slow down until everything in its path that defies it has been destroyed. All rebellion on Earth, all rebellion on Earth will be broken down by the swine. Let's read Isaiah, Sister Jan Meadows, if you wanna grab it.

Let's read Isaiah 66 and 17. Now, when this bull returns, he is going to destroy rebellion. Let's read about what that rebellion looks like when he comes back.

Isaiah 66, 17. They who sanctify themselves and purify themselves in the gardens, following after

the priest in the midst of those who eat swine's flesh, that which is offered to God's Elohim and the rodent will be consumed together, says Yahweh. So this bull is coming back to push down people that's eating pigs, unless I misread that.

It says, when he returns, he is coming to destroy the pig eaters. Did you know your Bible said that? Did you know that your Bible said that when Yahshua returns, he's going to destroy those that are eating pigs' flesh? Do you know why? Because it is rebellion to the word of Yahweh. I know nobody wants to hear that, but ladies and gentlemen, he's coming back.

The bull is coming. And everyone that is not obedient to him will be trodden down underfoot.

That

day is coming.

It is the day of Yahweh and it is coming and it's coming faster than you understand. That somebody say, the bull is rushing. The bull is rushing.

Amen. If you're in a hurry for him to come back, he's in a bigger hurry to get here. Did you just hear what I said? He's in a much bigger hurry to come than you are for him to come.

Look at him on the right. The bull is rushing. And only those who have quit eating pig flesh, only those that have quit being a Christian and they've started following the narrow way, only those will not be trodden underfoot.

This is the next thing on Yahweh's calendar. Last thing on his calendar was what? Turning the lamb into a what? Ram. A ram.

Remember, that's where we are right now. The lamb is turning into the mature ram. And the mature cow.

Now, remember the bull cannot rush back until the church is ready. Look at those pictures. The

ram is the mature church.

The bull does not rush back until that little immature Christian is thrown into a group of overcomers with horns of truth on their head. The minute the church gets to that point, the minute

that they're no longer eating pig flesh, the minute that they're no longer confusing the father for the son, the minute they are no longer misidentifying the name of their God, the minute those things are happening is when the bull comes. Now, the Bible said that that bull does not return until this gospel of the kingdom has been preached to the whole world.

Now, brothers and sisters, the gospel of the kingdom has not been preached to the whole world. The gospel of Jesus has been preached to the whole world, but not the gospel of the kingdom. Amen.

The minute we get the gospel of the kingdom out is the minute that bull will come rushing back. Let me show you what's happening right now. Show you the age we're living in.

Ephesians chapter four and verse eight. I wanna show you my ministry right now, and I wanna show you why you found my ministry. Ephesians chapter four and verse eight, and we're gonna show you here what's going on right now in the earth today.

It's important that you understand the time that you are living in Ephesians four and eight. Now, this is right when Yahshua is ascending up to heaven. He's ascending up to heaven.

And notice what happens as he's going up. He says, wait a minute, stop the show. I've got to do something before I leave, because I'm leaving as a lamb, but I'm returning as the bull, but I can't return as the bull because he had already read the heavenly scroll.

Matter of fact, that's what he came down from, the heavenly scroll. He was always in the heavenly scroll. That's why when he said before Abraham was, I am, because the heavenly scroll

foretold him in the scroll, but on his way up to heaven, here's what happens.

When he ascended on high, he led captivity captive and gave gifts to Sandra Brawleyer, to the Thomas Morgan, to Marlon Hoover, to Elena Daniels, to Becky Sims. He said, I want to leave a few gifts because I cannot return to an immature church. What were those gifts that he left?

Verse 11, he gave apostles, he gave prophets.

I'm not talking about them TBN prophets. I'm talking about them real prophets, the kinds nobody wants to listen to. I was looking at a man that had a tent filled with thousands of people a few days ago at a big conference he was having.

And I said, I know how to empty that tent out. I said, give me the microphone. Let me take their Christmas away from them.

And that tent will empty out quicker than you can look at it, darling. Because ain't nobody trying to

hear no real prophet. But Yahshua left apostles and prophets.

He left evangelists. He left pastors and he left teachers. So anytime you disrespect one of those offices, you have disrespected the one that gave them to you when he was leaving the earth.

Now I need you to hear me now. When you find a teacher of truth. I need you to hear me now.

Amen pastor. When you find a teacher of truth that has been given to you as a gift by God, it literally came to you from the hands of Yahshua himself wrapped with a bow. And he said, here is

one of my gifts that I've given to you.

Now what is the purpose of those gifts? In verse number 12, for the perfecting of the saints. It is not to get people saved. Come on.

Oh, hallelujah. Hallelujah. You wanna know why our churches are all in their growth? Do you wanna know why our churches are stunted in their growth? Why they're immature? Because these five full ministers are up trying to win the lost instead of trying to perfect the saints.

The job of the pastor and the evangelist and the teacher is not to win the loss. The job of those men is to turn you from a lamb to a ram so that the bull can return and set up his father's kingdom

on earth. Hallelujah.

Now, these ministers are for the perfecting of the saints. That the saints might do the work of the what? The ministry. It's not my job to save the lost.

It's your job to do it. See, it's not my job to pray every sermon in the church to have an altar call. We don't even have altar calls in our church.

If a church is doing altar calls, it's not my job to save the lost. Let me take a drink of water.

Come

on, pastor.

A whole church is designed, the whole service to get two people to come to the altar while the other hundred people's all dying on the vine, staying lambs and not turning into rams, trying to get

people to the altar to look like you're successful. My job, if you never come, if you never come, my job is to get you higher, to get you to become more in God than you already were. That's the job of the ministry so that you can go outside of the church and everywhere you go, preach the gospel of the kingdom to anyone that asks you about it.

Now, I just told you, I just told you more in those few minutes than you've ever heard in your lifetime. Amen. You always was told that the purpose of the church was to be a hospital for the hurting.

Satan is a liar. That is what Satan has described the church. We are not a hospital for the hurting.

We're a college for kings. Hallelujah. Oh, hallelujah.

If you need a hospital for the hurting, they got psych hospitals everywhere. They got Zig Ziglars that does what they do, go to their little retreat. But the church of the living God is to get you out of your hurt, get you out of your emotion, get you out of your pity party and to turn you from a lamb to a ram.

And if you're truly growing in Christ, you can't even get hurt. Say that pastor, so true. Hallelujah. The Bible said, be not easily offended. If you're really growing in Christ, be hurt. They hurt my feelings, they grow up.

They hurt my feelings, they grow up. I thought you was a dead man. I said, I thought you was a dead man.

You can't hurt dead men. I thought you was a dead man. That's right, we don't have no feelings.

You can't hurt dead men. Amen, amen, hallelujah. They walk out of my church without even saying goodbye to me.

You don't hurt me, you know what? I pray for them and I keep on working. You know why?

Because I'm a dead man. I realize some's gonna come, some's gonna go.

But those that wanna stay, I'll be in that pulpit for them every Sabbath, helping them to grow into

their calling, which is overcoming sons of Yahweh. Grow up, grow up wherever you are. God's calling you to grow up until we all come, verse 13, in the unity of the faith and of the knowledge of the Son of God.

Uh-oh, uh-oh. Until you finally learn who Jesus is, who Yahshua is and who He's not. Oh, yes, sir, hallelujah.

The knowledge of who Yahshua is and who He's not until you come into a perfect man. Do you wanna know what a perfect man looks like? Hold tight. Let me show you what a perfect man looks like.

Look at your screen. There he is in the middle, Ares. So, according to this verse, this verse, what

is the purpose of your pastor? What is Brother Vaughn's purpose in your life? Verse 12, somebody unplug and answer for me.

According to verse 12, what is my purpose in your life? The perfection of the saints. Perfection. Perfection.

To teach me how to actually, you know, grow. For perfecting us, pastor. Perfection.

To teach me. How many has been told that it's my job to visit you in the hospital? Yeah. It's my job to come and pray for your hemorrhoids and my job to come and do this and do that and all what have you and whatnot.

And I'll do all that, but that ain't my job. No. I'm glad to do it.

To come pray for your big toe and get mad if I don't come. That really ain't my job. I'll do it as your brother in Messiah.

Don't misunderstand me, but my job, my job description is the perfecting of the saints. You know,

you've been perfected. Verse 14 will tell you.

How do you know you've been perfected when you know more children? How do you know you're

a child? You're tossed to and fro by every wind of doctrine. How do you know you're a child?

You're tossed about every wind of doctrine. The only way you're mature in Christ is when you're established in doctrine.

And how do you do that? By speaking the truth in love that we may grow up in all things, which is

the head. Now, I wanna show you another verse of scripture that people love to quote. They love

this one.

Let's see if I can find it real quick. It's over in 1 John. Everybody loves this one.

Now, Brother Vaughn, I don't believe that because my Bible says 1 John 2, 27, right here, I'm gonna highlight it for y'all, that you have no need that any man teach you. Anybody ever heard that verse? Right there, there it is. Everybody in the Messianic movement loves that verse.

I don't need no man to teach me. I got the Holy Spirit. The Bible says, then let me ask you a question.

And I'm fixing to deal with this scripture and show you how it's mistranslated. But let me ask you a

question. If you don't need a teacher, please give it back to Yahshua because he must have thought you did because he left you one.

I cannot, I mean, really, why did he give them if you don't need them? I'm watching the videos.

Some of you, I'm trying to see some faces. I can always tell when I look at the faces.

Brother Vaughn, I don't need a teacher. I've got the Holy Ghost. And yet he left you a teacher, didn't he? He said he gave unto you teachers and pastors.

If the Holy Ghost is your pastor, that's so dumb when people say that. If the Holy Ghost is your pastor, why did he leave you a pastor? Why did he do that? And then this verse right here, and you don't need any man to teach you. I promise you, you'll hear that verse the minute you tell some of these people, go watch Brother Vaughn's teachings.

But I don't need no man to teach me, bunch of dummies. Anyway, so what does this verse mean? I'm fixing to prove it to you. To find out what it means, guess what we gotta do? We gotta scroll up.

See, we gotta scroll up, all right? And we gotta go to verse 18 to find our context. Little children, it

is the last days. And as you have heard that Antichrist shall come, even now are there many Antichrists whereby we know it is the last days.

What is John doing? He's giving a warning of the spirit of deception, okay? Now in the next verse,

he's going to tell you about certain men that left his church. Okay? These men left his church. They went out from us, but they were not of us.

For if they had been part of us, they would never have left. They would have stayed with us.

That's why I never, people tell me, Brother Vaughn, you need to go show love to those people that have left you.

I show love by not going after them. Uh-oh. See, I'm not like these other pastors.

I know the difference in a lost sheep and a rebellious sheep and I don't waste my time on the rebellious sheep. The difference in a lost sheep and a pouting sheep or the lost sheep and a Jezebel sheep. Baby, I don't spend two seconds looking for Jezebel sheep because I've read this

verse.

What did John tell them? If they were truly part of the work, they would never have left us. So Pastor Vaughn, sorry. So then this is talking mainly about the false teaching.

Those in error. Yes, ma'am. Yes, ma'am.

Hang tight. We headed that way. You're exactly right, Carmen.

He said they would have, but he said in verse 19, they went out from us that they might make it known to everybody they're not us. Is anybody reading that verse? Does anybody see what this is

saying? You're exactly 100% pastor. Yes.

Yes, I am. I'm seeing it. The reason Yahweh allows them to leave is so you will know who they really are.

Hallelujah. Now, he's talking about how these people that have left the church are now, as you keep reading, now they're trying to reach back into the church that they left and teach those

people. All right.

And he says, verse 21, I've not written to you because you don't know the truth, but because you

know it. He said, who is a liar, but he that denieth that Yahshua is the Christ that denieth the father and the son. So these people that left are trying to teach John's church that the son and the father are the same.

They're trying to teach a false teaching into John's church. And here he said, let, verse 24, let therefore abide in you what you heard from your pastor. John was their pastor.

There was certain men that left the church that's trying to teach the church lies. And he said in verse 24, let therefore abide in you what you heard from the beginning and that which you have heard from the beginning shall remain in you. Then you shall continue in the son and in the father.

Now let's slide down to verse 27. Now, this is where he says, you don't need any man to teach you. Well, first of all, he can't mean any man because go back up to verse 24.

Let abide in you what I taught you from the beginning. Is John not a man? So how can John now

say, don't let no man teach you? When John is saying, don't forget what I taught you. Does anybody picking up what I'm putting down here? All right, John is a man.

Yes, yes, yes, yes. John is their pastor and he's been teaching them. But now in verse 27, all of a

sudden he says, you don't need no man to teach you.

Well, then don't tell me John to hold fast to what you taught me then. All right, so let's find out where the mistranslation is. I'm gonna click on the verse and we're gonna scroll down to the word

no man or any man.

Does anybody see the word any man? You have no need for any man to teach you. All you gotta

do is click on the Greek word and the Greek word is tis, T-I-S. And you're never gonna believe what tis means.

It doesn't mean no man or any man. Here's what it means. You see the first word right there? Certain men.

And what's the definition? Certain, certain or some men or certain men. In other words, those men that have left my church, he said, you don't need those certain men to teach you because I've already taught you, hold fast to what I've taught you. Thank you very much.

I'm done with that subject, hallelujah. Do you see the danger of not having a teacher in your life?

That one verse has created an entire anti-man movement. I don't need no man over me.

The Bible said, don't let no man teach you, bunch of dummies. Anyway, listen, you gotta learn how to study your Bible and know what it means and what it truly says. Go ahead, Sister Sandra Jelen.

Hello, Sandra, so nice to meet you at the feast. Unmute yourself, there you go. Can you hear me? Yes.

Okay. Hi, Pastor. Hello.

I was asking, well, I wanted to know, there was a part you said, as we're still, I think I can echo. Turn your volume down just a little. Okay.

Can you hear me? While you're talking, turn your volume all the way down. Okay. Just mute your volume, mute your volume.

There you go. Can you hear me? Yes, yes, yes. Okay.

When you said that our job is to, if somebody acts of the gospel, we're supposed to let them know. So does this mean only when they act and you don't force it and tell it, will we be punished

for that? That's what I'm trying to find out now. I'll fix the show.

Well, I don't think you'd be punished, but here's what I'll show you. Can somebody please mute their volumes, whoever that is? All right, I'm gonna show you. I'm gonna show you what the Bible says.

I don't ever believe what I say. Let me show you. I'll show you what the Bible says.

Hold on, if I can find what the Bible says. Any man that asketh. All right, let's do it another way. I'll show you what the Bible says. Soon as we get it. First, no.

Yeah, 1 Peter 3.15. 1 Peter 3.15. Now I'm gonna show you what happens. No one can come to God unless the Holy Spirit draws them. 1 Peter 3.15. But sanctify Yahweh Elohim in your minds and always be ready to give a defense to everyone who asks you a reason for the hope that is within you.

In other words, if the father is drawing someone, he's gonna bring them to you. And you're gonna

know it by the questions they begin to ask. At that point, you must be ready to give an answer. If not, here's what happens. Let me show you what happens. Whenever you go all over the country, Matthew 23 and 15 says, let me share that with you if I can.

And the Bible study will continue in just a moment. Everybody hang tight. Matthew 23.15, woe unto you religious people.

Can everybody mute? Everybody please mute. Woe unto you religious people, for you go and you travel the sea and the land to convert somebody to Christ. And when he is made, you make him twofold more the child of hell than you are.

In other words, your efforts at evangelism are pointless. What you wake up every do every day, you pray, father, send into my path, those that you are calling into the remnant Israel. And I'll be ready to give them an answer anytime they ask me.

Otherwise, you're gonna be talking for hours to people and getting nowhere. Let him do the work.

Learn the ease of the glory.

Learn the ease of the glory. You don't have to do Yahweh's work for him. It is the Bible said in John 6.44, no one can come to the father unless his Holy Spirit is drawing them.

And if he's drawing them, he's gonna put you in their path so that you can give them the answers

they're looking for. Brother Eric Chipman, unmute yourself, brother Eric. And y'all, we've still got a

good ways to go on this study.

Brother Eric Chipman, unmute yourself. He's not responding pastor. Oh, he's not, okay.

Brother Enrique, go ahead. Brother Enrique, unmute yourself quickly. Please.

Yes. First of all, brother Wong, I wanna thank you for your love and kindness that you expressed to me during these past festivities. And I want to thank every single one of you.

You might understand me well. You could understand me a little bit. I'm just your brother from another mother, just a little bit different.

But I love you all. And I'm very thankful for all that you have done with me during the days that I was in Alabama, in Mississippi, and Louisiana. It just comes to my heart, brother Wong, a couple of scriptures.

You see the first scripture is in 2 Chronicles 4 from verse two to verse four. And if we review it, what it talks is about the molten sea. You see the molten sea is a picture of the remnant, I believe.

It contain 3,000 oxen. And these are the first 3,000, they heard the first sermon in the day of Pentecost given by the apostle Peter. But they were, it says in verse four, it stood upon 12 oxen, three looking toward the north and three looking toward the west and three looking toward the south and three looking toward the east.

And the sea was set above upon them and all of their hinder parts were inward. So this is a foundation of a group of people of the remnant to be edified by the ministry. And it also has to do with the oxen that also symbolizes the constellation of Taurus.

But the second scripture I wanna point out is in the book of Ephesians 2 from verse 20 to verse 22. When the edification of the body of Yeshua, which is the remnant, it is based upon the apostles, the prophets, the cardinal stone will be Jesus, the main foundation, Yeshua, Hamashiach. And then comes all the ministries and then comes all the members of the remnant that edify and help together to make a whole body, which will be in time, the new Jerusalem.

I just wanted to add this to your wonderful teaching. That's very correct. That's good.

And brother Enrique, if you'll hold tight, if everybody will hang with me for a few more minutes, I'm

fixing to show you a cluster of stars in Taurus that is mind blowing and it goes right along with what you just said. I know there are many hands up right now, but I really feel like I need to push forward into this lesson. I'm so very sorry.

I will come back to everybody. Just write your questions down. At the end of the lesson, I will come back, but I really believe we need to push through to the end of this study.

Now let's do this. Let's go to Mark chapter 13, verse 20. And I wanna show you how we're about to run headlong into the bull.

The Nephilim are rushing mankind towards destruction. Nuclear war, the third world war is upon us. And this bull is running quickly to save us from ourselves.

The reason you see this bull rushing, like you do brothers and sisters right here, the reason you see that there is because if he does not rush forward, something drastic is about to happen on planet earth. You need to know why he's rushing. We find the answer in the book of Mark chapter

13, verse 20.

Brother Morgan, you wanna try again today? Elder Morgan. Yes, sir. Can you hear me? A little bit

better.

Yes, sir. And accept that. A little bit better.

Yes, sir. And accept that the Lord had shortened those days. No flesh should be saved, but the elect saith whom he hath chosen, he hath shortened the days.

All right. When you go to Mark 13 and 20, brothers and sisters, here's what you're going to find. Let me show you on the screen so you can understand clearly what I'm trying to teach you.

The bull is rushing forward. And as you read these scriptures, it's talking about the coming of Yahshua. And it's talking about the end of time.

And then it says that in those days shall be affliction, such as was not from the beginning, neither

ever shall be. And except the bull comes rushing. Unless the bull comes rushing to do what? To shorten time.

You have 6,000 years allotted to mankind, correct? We're not going to get the full 6,000 years, okay? Why? We're in the year, what's the year we in right now in the Hebrew calendar? 5783 going into 5784, correct? What does that mean? Technically we've still got what, 220 years left. 217 years. There you go.

That's how many technically we have left. But according to Mark 13 and 20, Yahweh is going to have to shorten time because if he doesn't, no flesh would be what? Saved. Now, hold on a minute.

You make a drastic mistake with the word saved because automatically you're thinking of what? Salvation. But it has nothing to do with salvation. Let's find out the original word.

I'm going to scroll down to it. The word is sozo, S-O-Z-O. And when you click on sozo, what is the

first meaning of the word? To keep safe and sound.

To rescue from danger or destruction. And look right here, brothers and sisters. Sozo means what? Safe.

Safe. Safe. Because Yahshua will return in the third world war.

He will return where nuclear, that's why the sun will be hidden and the moon will appear as blood

because of nuclear war. If that bull does not come rushing at that moment when somebody pushes that button, if that bull does not rush in, no flesh will be what? Safe. No flesh would be safe here on planet earth.

So he's coming because we're rushing towards destruction. He's rushing to keep us safe.

Hallelujah.

Now, let me show you that. Let's go back and look at that. Why he's going to do that.

Why is he going to do it? For whose sake? For the elect's sake. He has shortened time. Why?

Because if not, this nuclear war would destroy the elect that's supposed to rule and reign during the millennium after this destruction.

So he is returning to keep us safe from this destruction. I hope you're learning today why this bull

is rushing. It was prophesied in the heavenly scroll.

He would have to come rushing to shorten time. It's very important that you get that. Now, how do

we know that Yahshua is about to return? Sister Jan, would you grab Matthew 24 and verse three? Sister Jan Meadows, grab Matthew 24 and three.

Now, I wanna show you the greatest sign that that bull has to come rushing. Because if that bull

does not come rushing, the very elect will be deceived if possible. I'm gonna show you the greatest sign of the bull about to rush in.

And it's not, it is not nuclear war. It is not famine. It is not pestilence.

Read Matthew 24 and three when they ask Yahshua, what will be the first sign of your coming?

Now, as he sat on the Mount of Olives, the disciples came to him privately saying, tell us, when will these things be? What will be the sign of your coming and the end of the age? Now, what did

he say? How will you know that the end of the age, there's two different things here. His coming and the end of the age. We're in the age of Pisces right now.

We're in the cusp of Aquarius and Pisces. We are literally crossing over. The end of the age is upon us, but how would we know it's the end of an age? Read the next verse.

Yahshua answered and said to them, be on guard so that no man deceives you. The greatest sign that I've got to come rushing in will be deception in my church, in my pulpit, in the name of Christ. Read the next verse.

For many will come against my name, saying I am anointed and will deceive many. The first sign that the age is coming to an end is an anointed ministry that is lying to the people of God. And guess what? This ministry will be anointed.

I call it false anointed ones in the end time. I have a sermon called false anointed ones in the end

times. Their anointing will be so profound.

The Bible said in Revelation that they will be three frogs come out of this lying prophet. And these

three frogs will be miracle signs and wonders. You can read that on your own.

There will be three frogs that come out of the church in the last days. Miracle signs and wonders.

Something happened to me.

I wish my wife was in here to testify to this. Something happened to me about eight years ago.

And I want to tell it to you.

Before I came to the truth, many of you don't know this, but I was known for my prophetic ministry. I was known to go to a church that I'd never been to, call people out and tell them, I've had addresses for people. The Lord has given me people's names.

And when I first walked in my wife's church eight years ago, I was operating in that prophetic anointing. When I came to this message, and my wife would ask me, what happened to your gift?

And I told her, God forbids me to use it for a while. She said, what do you mean? I said, God has

forbidden me to use the gifts of the spirit until I establish the people.

Because they cannot come to me because of my gifts. I'm speaking deeper than you understand

right now. They've got to come to my message.

See, many people are coming to the gifts and they leave when the message starts. Many of you have come here to the message and the gifts will come. I mean, I've used that gift.

Pat Call is here, she can testify. Pat walked in our church, I went straight up to her and told her about a daughter that she had that she was no longer in fellowship with. And I didn't know Pat

from anybody.

So the gifts are still there, do you hear me? The gifts are real. We believe in those gifts. We believe in miracles, signs, and wonders.

We have seen them, but we will not prostitute them and build this ministry on those gifts. We'll build it on truth and then the gifts will come. But this day we're living in right now, everybody's running after these gifts and the demonstration of power.

That is the sign that Yahshua is about to return. Because if he don't, even his elect will get about what they're seeing. That's right, that's right, that's right, hallelujah.

Thank you, elder. Even the elect will look at those signs and wonders. As a matter of fact, John the Revelator, when he saw the beast system, the Bible said he looked at it in wonder.

Say that then. They'll leave this message and go running after those preachers that's got the signs and the wonders. My God from Mount Zion, help me now.

We don't follow signs, the signs follow us. Amen. Amen, hallelujah.

But they only follow. The signs only follow the commandment-keeping, believing child of God that's walking in holiness and circumspectly before Yahweh. Those signs are in this ministry.

I don't let a lot of people see those signs because I want you to come here, not for the prophetic word, but for the eternal word that is taught through this ministry. Oh, say that then, say that then,

say it. I gotta have the message first.

When you come to the message, the signs and wonders will follow. But Yahshua said, the sign of

my coming, the elect will almost be deceived if I don't come rushing back. And one of the first things they'll be deceived by is the rapture doctrine.

Oh, oh. Amen. Now, I fixin' to prove to you where Yahshua was talking about the rapture doctrine

when he said, don't be deceived.

I'm gonna prove it to you right now, right now in this class. If anybody teaches the rapture of the church before the coming of Yahshua, it is the spirit of antichrist. And as far as I'm concerned, I don't wanna hear anything their ministry has to say because I'm afraid of the spirit that's coming through it.

Amen, amen. You wanna prove what you're saying? Yes, I can. Sister Jan Meadows, skip down a few verses, Sister Jan.

Let's go to verse 21 and let's read verse 21. And I'm gonna prove to you right now that Yahshua was talking about the rapture deception when he said, if I don't return, no, there'll be no faith left on the earth because they all believed in a rapture that was told to them by Satan himself. I'll read

it to you right now.

Let's go to verse 21, Sister, right there in Matthew 24. Let's pick up at verse 21. For then will be great tribulation such as has not come to pass since the beginning of the world to this time.

No, nor ever will be. So we're talking about the tribulation period that is coming up on the earth, all right? Now, I want you to, let's skip, no, let's just keep reading. After the tribulation, read verse

22.

And unless those days were shortened, there would be no flesh to be saved. But for the elect's

sake, those days will be shortened. Read.

Then if any man says to you, behold, here is the Messiah, or he is there, do not believe it. Okay, listen. He said, now, if anybody comes to you and says that there's some kind of a secret coming

of Messiah, God, help me right now.

Today, or he could, he's coming right over there. He's coming on this date. He's coming on that date.

He's coming on Yom Teruah, believers. Come on, pastor. He said, if anybody tells you there's some kind of a secret coming, read the next verse.

For there will arise false messiahs and false prophets who will show you great signs and wonders

in so much that if it were possible, they would deceive the very elect. So these false preachers in

the end time, right before the coming of the Lord, when did the rapture doctrine come into play?

A

hundred years ago, beloved. Now, do you know what time it is? What did he say would be the sign of the end of the age? Sign of the end of the age.

Deception in the church. And when did the rapture doctrine enter the church? And Schofield and the Plymouth brethren go to FHTV and I'll show you, well, here, real quick. While I've got you here, I'll just show you how to find it.

You need to go look at it. How'd I get over there? My God, I'm so wrapped up, worked up right now. Let's see, because I'm fixing to show you the deception you got to be free from.

Let me show you how to get there. Woo, help me right now, Lord. Pastor, we just love you.

We love you today. Yes. I mean, thank you so much.

Thank you so much. You have no idea. I love you.

Yes, we love you. Thank you for truth, Pastor. Yes, I agree.

Thank you, Pastor. Go to FHTV. We thank you, Pastor.

Thank you, son. I love you all. Type rapture and click on this one right here.

Secret rapture debunked. There's the man that created the rapture doctrine. No, those are the men that didn't believe in the rapture doctrine.

I'm sorry. Hold on. Let me show you exactly when it was.

I don't have time. Go watch it yourself, okay? Now, let me stop that. Hold on.

Go watch that yourself, but you need to know that this rapture doctrine is about 100, 150 years old, and Yahshua said this would be the sign that the end of the age is upon the church. Now, let's keep reading over in Matthew where we were, Sister Jan. Okay, verse 25.

All right. Matthew 24, 25. Go ahead.

24. For there will arise false messiahs and false prophets who will show great signs and wonders,

insomuch that if it were possible they would deceive the very elect. Behold, I have warned you beforehand.

So when they say to you, behold, he is in the desert, do not go out. Behold, he is in the holy place. Do not believe it.

For as the lightening comes down. Hold on, hold on, hold on. Now, the King James says, behold,

he's in the secret chambers.

The word secret there is a secret rapture. Amen. Behold, he's in the secret place.

Behold, he's coming over here. Behold, he could come tonight in a secret chamber in a secret rapture and take us out of here secretly. But listen to what Yahshua says in verse 27.

He said, I've told you before, I've warned you this spirit of antichrist that's going to deceive into some secret rapture. But now I'm going to tell you the truth. Verse 27.

For as the lightening comes out of the East and flashes to the West, so also will the coming of the

Son of Man be. Won't be no secret. It won't be out in the desert.

It won't be in a secret chamber. It will be public viewing from open display to another. They'll see it in the East.

They'll see it in the West. They will see me coming in the clouds of glory. And that deception is what the elect will not believe.

But if I don't return, they'll see those line rapture preachers working miracles and they might believe it. I've got to come back and let every see me and let every knee bow before me. Elect's sake.

Hallelujah. Praise the Lord. He's going to do an open display.

Oh, he's coming back. Verse 29. Immediately after the tribulation of... When is he coming back?

When? After, after, after, after, after, after the tribulation.

Not a day before it. And you're not going to be ready for it because you believe that preacher that

lied to you, but he can work miracles. He can tell you your address.

My God, he told me my mama's name. You can take my mama's name and shove it down the toilet. Give me truth.

Your miracles don't impress me. Your deliverances don't impress me. If you don't have the backbone to tell God's people, get ready to endure till the end, you don't deserve a microphone.

To God be the glory. Hallelujah, pastor. To God be the glory.

When is he coming? After the tribulation. Yes, you're going through it. Oh, but I've got good news

for you if you'll hang tight.

Read for me what happens after the tribulation. Immediately after the tribulation of those days, will the sun be darkened and the moon will not, and the moon will not give her light. Nuclear war.

And the stars will fall from heaven. Nuclear war. And the powers of the heavens will be shaken.

Nuclear war. And after that nuclear war, verse 30. And then will appear the sign of the son of man

in heaven.

He's not out in the desert. He's not coming in a secret chamber. He said, appear in the sky and read the rest of that verse.

And then will all the tribes of the earth mourn and they will see the son of man coming in the clouds of heaven with power and great glory. He said, if they try to convince you, I'm coming to the desert, or I'm coming in a secret chamber or a secret rapture, or if they say he's over here, he's coming over there. You tell him I'm coming on Yom Teruah, the day and the hour that no man knows the day or the hour.

You tell him I'm coming on Yom Teruah and I'll do it after nuclear war. Let me calm down. Hallelujah to God.

You're hearing the voice of truth. The voice of Elijah has been sent to restore the faith. And what's

going to happen when he returns? Verse 31, Sister Jan.

And he will send his angels with the great sound of a trumpet and they will gather together his elect from the four winds from one end of earth to the other. How's he going to do that if you're already in heaven, beloved? How is he going to gather the elect if the elect is already in heaven when they die? How's he going to gather you if he said he's going to gather? To the other, you're going to be caught up to meet him out of your graves. He ain't pulling you back out of heaven and

put on, no, anyway, let me move on.

That's the great deception that he warned you about. And how many watching me right now, can

I see your hand fell for that deception most of your life? But the Bible said there'll be a light in the

evening time, hallelujah. The Bible said there'll be a great light and that great light would call you out to bring you into this elect's sake, hallelujah to God.

Hallelujah, hallelujah. Oh, thank God for truth, hallelujah. Hallelujah.

Oh, my, my, my. Now quickly, I want to talk to you a little bit more about this bull. The hardest thing for Christians to accept is that Christ has not been given his kingdom now.

There's another deception. There's another deception I've got to warn you about that will prove we're living in the end time. It's a deception called kingdom now.

I don't know if you know what kingdom now theology is, but it is preached by the late Myles Monroe. It is preached by every TBN preacher. It is preached probably by your church.

What is kingdom now? There's Zach and Alyssa Cole. Y'all owe me next year now, I'm telling you. Go ahead and book, because I was heartbroken.

Amen, but we love you both. What is the next deception, kingdom now? Somebody tell me what kingdom now theology is. I think I can.

I think I have an understanding of it. It's like saying that Yeshua is currently king of the world now

and that he is reigning and ruling right now, but- That's close. That's mighty close.

But they teach that the saints, the saints are currently ruling and reigning with Christ over the earth and that we're to take dominion right now. Oh, so like dominion theology. Dominion theology.

There's another word for it. Yeah, yeah, yeah. You can manifest your blessings right now.

That's exactly right, Shana. That right now, we're taking over the darkness and we're bringing down the powers of Satan and we're... But ladies and gentlemen, this is a great deception that this ministry warns you from and I'm fixing to prove to you that you've got to be prepared for this great deception. Let's read 1 Corinthians 15.

23, let's go to 1 Corinthians 15, 23 and we'll read that together. Let's see. Shana, you want to read that for me? 1 Corinthians 15, 23.

Hurry. Yes, sir. You might hear Tom and Jerry in the background, just letting you know.

All right. But every man in his own order, Messiah, the first fruits afterward, they that are

Messiahs at his coming. Keep reading.

Then cometh the end, when he shall have delivered up the kingdom to Yahweh, even the father, when he shall have put down all rule and all authority and all power. According to this verse, has he put down all rule, all authority and all power right now? No, sir. And does he do it in the end? Start verse 24.

Then cometh the end, when he shall have delivered up the kingdom to God, the father, when he shall have put down all rule, authority and power. You know what that means? He hadn't done that yet. Read verse 25.

For he must reign till he hath put all enemies under his feet. And when does he reign? Until all... He is Lord of the what day? Sabbath. Sabbath.

He will reign during Sabbath. When is Sabbath? The 7,000th year. He must reign, but what is he going to be doing during that 7,000th year? He will be the bull.

He will come rushing to put all enemies under his feet, even death, because there will still be death in the millennial reign. But at the end of the millennial reign, he will put an end to death and

then verse 26. The last enemy that shall be destroyed is death.

He has not even destroyed death right now. You know what kills me is when people say that we can put all power under our feet right now, then why can't you live forever? Because you ain't got

that power right now. Quit believing that deception.

Verse 27. For he hath put all things under his feet, but when he... Let's clarify this. Who has put what power under whose feet? Yahweh has put all things under Yahshua's feet during the millennial reign.

Okay, read. But when he sayeth all things are put under him, it is manifest that he is accepted, which did put all things under his feet. Would y'all like that in English now? Would y'all like me to break it down? For Yahweh has put everything under Yahshua's feet except Yahweh.

Now, if there is anyone that still believes in traditional oneness, I would love for you to unpack that scripture for me, please. Listen, Yahweh said he's gonna put everything under Yahshua's feet except Yahweh. Because Yahweh is the head of Christ.

I'm gonna tell you what, y'all better come out of Trinitarianism. You better come out of all those isms and you better come to truth because I'm reading truth to you right now. Read verse 28, sister.

And when all things shall be subdued unto him, then shall the son also himself be subject unto him that put all things under him, that Yahweh may be all in all. So the day is coming when Yahshua is not even going to be ruling. He is going to give everything back to the father and sit down and the father will rule.

I mean, how did we miss this when I was growing up? Hallelujah. If this don't set you free from Trinitarianism and all the other isms, how is Yahshua gonna give it all back to Yahweh if he is y'all? I mean, come on. Hallelujah.

I'll tell you what, a bunch of dummies is what we were. I don't understand. We're completely clueless about it, pastor.

Totally clueless. But there is a light in the evening time, the Bible said. Yes, sir.

That's one of my favorite verses. Let me read it to you actually. I love this verse.

It's in Zechariah 14 and seven. I'm gonna share it with you on my screen. I love this verse.

Zechariah 14 and seven. Y'all need to memorize this verse. But it shall be one day which shall be known to Yahweh.

It's not day nor night yet. That's the end of the sixth day and the beginning of the seventh day. It's

no longer the new day and it's really not the old day.

That evening time, there shall be a light. Hallelujah. Do y'all know it's evening time right now? The

sixth day is closing.

The new day is beginning. And we're promised that at that time, a light's gonna pop open and that

you and I are gonna follow that light. Hallelujah.

Hallelujah. In the evening time, there will be a light. Hallelujah to Yahweh.

Oh, hallelujah. So what y'all gonna do with them verses right there that says nothing has been put

under Christ yet. Dominion over all things comes in the end, not now.

That's why you get so frustrated when you go out there trying to heal everybody and nobody gets

healed. Because they lied to you. Healing right now is done by the grace of God for whomsoever

He chooses to heal.

But there's coming a day when everybody you touch is gonna jump up healed. Now learn to operate in your day and be fine with it and you'll get delivered. Now, real quickly, I wanna show you something and we're coming to a close here in a minute.

In Taurus, there is a cluster of stars that I wanna show you. Look at the screen. I wanna show you this cluster of stars.

That is in Taurus. There it is right there. It is called Pleiades.

Now I want you to look at Taurus on the right. Do y'all see the bull? Look on his neck. Look on his

neck and in the neck, what do you see? You see a cluster of stars called Pleiades.

Now some people call them the seven sisters right there on the left. Now, if you look in a telescope, this is what you would see. There are seven stars here.

And the funny thing about these seven stars is they are 444 light years from planet earth. Now, would anybody like to tell me what four plus four plus four equals? 12. Oh yeah.

12. Online government. Yeah, you've got seven stars, 12.

So you got 12 and a seven, all right? And then notice the color around these stars. You don't see

it anywhere else in the galaxy, but there is a blue that lights up Pleiades. What is color the blue of? The government of God.

Oh! Hallelujah. Listen to me, my God, I feel when the angels come through. Listen, the Pleiades that's in the neck of Taurus is what is going to be coming back with Yeshua and what's coming back with him is his government because notice where that government is on his shoulders.

And the Bible said, the government will be on his shoulders. Oh, y'all didn't get that one. Good God from heaven.

Look again and see Yeshua is returning with his government where? On his shoulders. The government shall be upon his shoulders. Now, when I looked at this, I'm fixing to tell y'all something that the Lord told me, but before I can do it, I wanna read to you Job, the book of Job.

Sister Jan, go grab Job 9 and 9. Brother Morgan, grab Job 38, 31. And Sister Shana, grab Amos

5 and 8. And let's see what the Bible has to say about these seven sisters, if you will, who are the

seven stars. Okay, he is the creator of the bear, Orion, the Pleiades and the constellations in the south.

All right, he's the creator of Orion and there is Orion right there. You shall see Orion. There's Orion.

See Yahweh named them. Yahweh named them. And he said, he created Pleiades, which is the cluster of the seven stars.

That's 12, that's ruled by the number 12. Now read the next verse, brother. Canst thou bind the sweet influence of Pleiades or loose the bands of Orion? He called it the sweet influence of Pleiades.

So you know what that tells me, right? There's influence in Pleiades. There's something about Pleiades that's very influential. He created this cluster of stars that would prophesy about a group of people.

This is what brother Enrique was telling us about a group of people, the remnant, that's governed

by 12 and seven and they wear the color blue. Hallelujah to Yahweh. Oh, y'all just ain't getting it. My, my, I figured that would just- Praise to Yahweh's name. That would set your soul on fire. Shema Yisrael.

Hallelujah. The ball is not coming back by itself. The Bible says he's coming with 10,000 of his saints.

That's Pleiades, darling. Hallelujah. Hallelujah.

Yahweh. That's Pleiades. Amen, Jesus.

He's not coming back by himself. No. And Yahweh will be with you.

The government's gonna be on his shoulder when he comes back. Oh, yes. Matter of fact, let's go read about that government on his shoulders.

Daniel chapter seven, I'll read it. Daniel chapter seven. Oh, I'm sorry, Shana, read Amos.

I apologize. You're all right, pastor. Amos five and eight.

Yes, sir. Seek him that maketh the seven stars and Orion and turneth the shadow of death into the morning and maketh the day dark with night that calleth for the waters of the sea and poureth

them out upon the face of the earth. Yahweh is his name.

Now, out of all the stars in the sky, Yahweh is fixated on Pleiades. He's mentioned it three times in his word and he connects it to the influence over the earth. And then in that verse, he connects

Pleiades to the earth.

My God, help me, because I'm about to lose my mind. Listen, he prophesied in the heavenly

scroll about a group of blue people. Have you seen what color your Talits are, darling? He's talking about a group of people that's covered in blue, that's identified with 12 tribes of Israel, and

that's under the control of seven, not six, six, six.

Hallelujah. Glory to Yahweh. And guess what the meaning of the word Pleiades is? Rulers or a government of rulers.

This is the government that was prophesied to return with Yahshua. When he comes down from heaven, rushing like a bull, at that moment, the angels will sound the shofar. It will ignite the DNA.

That vibration will ignite your DNA. You will rise to meet him right there in the atmosphere. All of those sweet sisters of Pleiades that's dressed in blue, that's covered by 12 and seven, will rise to

meet him, and then that bull will rush down with us at his shoulder.

That is what Taurus is all about, the coming of Yahshua and the government of Yahshua that will be upon his shoulders. It's all prophesied in your Bible. Hallelujah.

Hallelujah. Praise Yahweh, of course. Do you know the only thing that will protect you if you're the

elect from the deception of the last day? The heavenly scroll.

I don't care what your preacher's preaching. You tell me what that scroll is preaching. I don't care

how your Bible's translated.

You tell me what that scroll says. It's the plan of Yahweh. From beginning to end, he knew it from

the beginning.

Hallelujah. If you wanna be protected from deception, learn the heavenly scroll. When's the last time you was in a church that preached about the government on his shoulders and told you that

government was dressed in blue and identified by seven and 12 and told you that it's not just Christ that's coming, but remember the first verse we read to you today.

Through him, we will. That's why I kept saying it. Through him, we will trod down our enemies.

Hallelujah. Let's read about it, Daniel seven and nine, and I'm getting ready to close now. Daniel chapter seven, verse nine.

The only thing that will protect you from deception is the heavenly scroll. Write that down. You better learn to watch this heavenly scroll.

It'll protect you from the rapture lie. Do y'all see a rapture anywhere in that heavenly scroll? Does

anybody see a rapture? No. I see a ram and then a rushing bull.

Oh, hallelujah. And the saints are at his shoulder, not going up before he gets here. My God from

heaven.

Daniel seven, nine. I beheld till the thrones were cashed down and the ancient of days did sit.

Who is the ancient of days? Yahweh.

Yahweh. His garment was white as snow and the hair of his head was like pure wool. His throne was like a fiery flame and his wheels as burning fire.

And a fiery stream issued and came forth from before him. Thousand thousands ministered unto him. 10,000 times 10,000 stood before him.

The judgment was set and the books were opened. What are we talking about? The last great day. The great white throne judgment.

And I beheld then because the voice of the great words which the horn spake. I beheld even till the beast was slain, his body destroyed and given to Gehanna. As concerning the rest of the beast, they had their dominion taken away.

Ladies and gentlemen, the rest of the beast is those Nephilim spirits. When do they lose their dominion? At that day and not a day before. Yet their lives were prolonged for a season and a time.

I saw in the night vision behold, one like the son of man came with the clouds of heaven. Do you know who the clouds of heaven are? They're you darling. You think he's talking about literal clouds? You are the clouds and I'll teach more on that later.

And now what happened? He comes before the ancient of days and there was given to him dominion and glory and a kingdom that all people, nations and languages should serve him. His dominion is an everlasting dominion which shall not pass away nor ever be destroyed. When does he get his kingdom? Is it right now? No.

No, sir. It's in this moment when he stands before his father. Hallelujah.

And the father says, go my son, bring your children out of those graves. Set up the kingdom. I'm giving it to you.

It's your day because you are Lord of the Sabbath day. And we're in that day now. But I wanna show you something even more beautiful than that.

Let's skip down to verse 18. But the saints of the most high shall take the kingdom and possess the kingdom forever and ever. Who's gonna do it? Those people dressed in blue, those people identified by 12 and seven, that those plateys that's on his shoulder, they are rushing back with him to put all enemies under their feet.

I wanna show you another scripture to prove it. Oh, hallelujah. I wanna show you another scripture to prove it.

My strength is leaving quickly, but I'm gonna try to do this. Romans 16 and 20, I wanna share that

with you. And I'm coming right back to Daniel.

Romans 16 and 20. Praise Yahweh. And the God of peace shall bruise Satan under Christ's feet shortly.

I'm waiting to be corrected. Under your feet. Yeah.

Under your feet. What was the first verse brother Morgan read tonight? Through him, we shall. Amen, hallelujah.

Through him, we shall put our enemies under our feet. Ladies and gentlemen, the God of peace shall bruise Satan, not under Christ's feet, but under your feet shortly. But because you're getting

ready to go in the rapture, you could care less about bruising Satan under your feet.

You're just trying to get out of here. Don't you see why Satan preaches the rapture now? It's produced the laziest Christian church the world has ever known. Now let's go back to Daniel and

let's finish up there as my strength starts leaving quickly here.

Oh, when that anointing comes, when that anointing comes. Now let's slide down. Verse number

22, 21.

I beheld and this horn made war with the saints and prevailed against them. That's what he's doing right now. He's making war with the saints right now.

Satan is in a war with the saints. And you know what he's doing? Let me show you what he's doing. He's trying to wear down the saints until the ancient of days came and judgment was given

to the saints of the most high.

And the time came that the saints possessed the kingdom. Now let me show you another deception. Who is judgment going to be given to over the whole earth? Saints.

And yet your church teaches you, now don't judge nobody. Yeah, come on. I'm trying to help you not be deceived.

The church says that we're not supposed to judge. Then what are we supposed to do? I read where judgment is given to the saints. If we're not judging now, how are we going to judge then? I'm just trying to help you not be deceived.

Hey, I'm closing everybody. Don't leave me yet. I'm closing, hang tight.

Don't leave me yet. Hallelujah. You're about to miss something good.

Hang tight. Don't nobody leave me yet. Did you know that the word Pleiades, do you know what it

means in the Syrian language? It means Sukkot or booths.

Booths are, they're our dwelling places of safety. So really the Pleiades is a promise to you and I that he's going to keep us safe when the bull starts rushing. That we're going to be safe.

Now, as I close, I want to show you something. When I was looking at these stars, Pleiades, I was not comfortable with going with the pagan description of the seven sisters. I never felt comfortable with that because that's Greek mythology, you know, the seven sisters of Pleiades. And I heard the voice of Yahweh speak to me. He said, oh no, son, it's not the seven sisters of Pleiades. He said, it's the menorah in the sky.

Now listen closely. When he told me that and he revealed to me what these seven stars are, let me show you the picture. When he showed me these seven stars, those seven beams of light.

Look, let me enlarge this one. You see those seven beams of light in the heavens that he referred

to? He said, they're not the seven sisters, son. That's my menorah, that's my menorah.

How many branches are on the menorah? Seven. How many lights are coming forth? Seven.

Now I know why the menorah is sitting in my church today, because it is Pleiades.

It is the government of God. That is what John the Revelator saw. The seven stars that was in the

hand of the angel was Pleiades and it was the menorah that was in the hands of the church.

The angel was holding in his hand. It was the menorah. Glory, glory.

Glory. And I thought, I knew I'd heard the voice of the father, but I thought I'd lost my mind. And then I made a mistake.

I went and typed in Google, Pleiades and the menorah. You're not going to believe what I found.

If I want to show you, I want to show you the next screen.

Do you see these? Do you see those tablets right there? I'm going to tell you what those tablets

are for those that don't know what those tablets are. These tablets is called the Jordanian codices. Codices.

It's made out of metal. They're an ancient book that was discovered about 150 years ago in the land of Jordan. Right now they're at the Jordan University and they are called, you can research them, they're called the Jordanian codices.

Now that book that was just discovered, let me show you, let me show you what is in that book, if

I might. Look on this page on your left, you'll see Pleiades at the top, the seven stars, and look what's right beneath those seven stars. If it isn't the menorah.

Wow. Science backed up what the father revealed to me this morning. I didn't even know about these codices till this morning.

And there they are written literally in stone, if you will, showing that that is not the seven sisters, it

is the menorah. And guess when this was written? This was written 2000 years ago, right after Christ left the earth, someone wrote these stars and wrote the menorah right under. Ladies and gentlemen, the father is restoring truth in the end time.

And that is the interpretation of Taurus. Amen. Hallelujah.

Amen. Hallelujah. Hallelujah.

Thank you, pastor. Yahweh. Thank you for the truth.

We are really blessed. Amen. Amen.

Amen. I am really blessed. We've got several hands up now.

I'm gonna go to them. Brother Christopher Aguan, you've waited so patiently. Good morning, pastor.

Can you hear me? I can hear you. So, yes, this morning is another powerful study. I just wanted to share two points when you were reading the Ephesians.

That just gives me proof that the message is not for everyone. Oh, sure. It's just, like you said, it's

for the elect.

And so, you know, if we don't go and preach to people that don't wanna listen. That's right. And then the second point is another proof about how there will be man still with flesh and blood.

Because if you think about it, if Yeshua is coming back to save, I mean, we kinda know that when

we die, we go back to us, you know, dust. And then we raise up to our second body. Yes.

But if you kinda think about it, why would he have to come and save us? I mean, that's what's gonna happen, right? So that just tells me that the earth will still be governed with humans, except. We have the spirit of Yahweh and Yeshua. Yes, that's right, brother.

Brother Ogwen, that is so true. The millennial reign, nothing is going to change except righteousness will rule the earth. That's, you know, so amen, my brother.

By the way, everyone watching, could I please remind you, start putting aside at least 5% of your

income to be able to come to the feast every year. Passover is April the 4th through the 8th here in Waveland. And we're gonna have a full week of services.

Tuesday night will be the Passover. Wednesday morning will be morning manna Bible study.

Wednesday afternoon, lunch.

Wednesday night, first day of unleavened bread, church. Thursday will be your off day. You can go sightseeing to New Orleans or to the beach, spend the day with your friends here, have cookouts on the beach, a beautiful time of the year.

And then all day Friday is free. Friday night, Sabbath celebration, Saturday morning service, and

then a Saturday afternoon farewell lunch. So come April the 4th through the 8th here to Waveland for Passover.

Put about 5% away of your money every week to make those pilgrimages, amen. Brother Strang,

go right ahead. Pastor, one last thing.

Yes, sorry. I just wanted to share with everyone, if they don't know, download the app Star Guide because now it will give you a whole different meaning when you look up in the sky. So the app Star Guide.

Star Guide, everybody download that and it will take on a whole new meaning for sure. Amen.

Brother Strang and Sister Tabitha, go right ahead.

Sorry, my head's spinning. So please forgive me if I'm a little bit carnal right now. And if you feel like I am, just say Tabitha, just go listen to it again.

So that's fine, honestly. So my first thing is, so what spirit's keeping them in Babylon? Say it one more time. What spirit is keeping people in Babylon? Revelations 12 and nine.

Satan has deceived the whole world. I keep asking you the same thing and that's what I mean, I'm carnal. Okay, then the second thing.

By the way, that needs to become everybody in this ministry, one of your main scriptures.

Revelations 12 and nine. Satan has deceived everybody.

Except for who? The elect. The elect. I get that, okay.

I told you I'm carnal a little bit right now. So, okay, then my other thing is, I'm going back to this whole nuclear war thing, okay? So Yahweh has to shorten the time. If he doesn't, no flesh will be

saved.

And we get that. To rescue from danger, destruction, right? But then my head goes to, so I thought death has no sting. And does that mean, to protect the elect, does that mean those that are in the grave right now, what about them? Are they not part of it? Oh yes, if they make the first

resurrection.

The first resurrection will happen at that time. In other words, the only ones coming up in the first

resurrection is the elect, the 144,000, the overcomers, the remnant Israel. So they will come up and all the other Christians will come up in the second resurrection.

But everyone that's meant to be in Pleiades or in those seven stars in that government will come up at the beginning of the millennial reign. Okay, so I think I was just getting the timing wrong.

Yeah, remember, let's put in your mind a calendar, okay? In your mind, see seven days, okay?

Adam to Abraham was two days, okay? Abraham to Yahshua was two days, 2,000 years.

From Yahshua to us is two days. That sixth day that we're living in now, it's the evening time.

What is evening? It's not really day and it's not really night.

It's called the cusp, the crossing over. We're in the evening now of the sixth day. As soon as the

seventh day dawns, the golden day, the dead in Christ will rise.

Those that are supposed to come up in the first resurrection, the elect will rise. Those of us that are still alive will just be changed in a moment. They will come up and together we will meet Yahshua right here in the atmosphere as that bull comes rushing down.

We will meet up and we will come down with him to rule and reign for 1,000 years, which is the seventh day. So you had six days, right? Now you enter day seven. During that day, you and I will be governors over planet Earth.

Restoring the Earth so that we can give it back to the Father after the seventh day has ended.

At

that point, the rest of the dead will rise, including Christians that didn't make it in the first resurrection. They come up at the end of the seventh day.

Then we have 100 years of the great white throne judgment. And then we enter the eighth day, which is eternity. Thank you.

I appreciate it. You're welcome. You're welcome.

Brother Anikwitch. Brother, a man's steps are of the Lord. How can then a man understand his own way? Proverbs.

You had asked me on the phone about a month ago, why Indiana? When I told you I was moving.

Yes. And Yahweh chose to not open up any other path to any other location on the East Coast.

Amen. And I didn't want to say anything to my family. I was, as the leader of my family, why we were moving inland.

But Yahweh prompted my heart to say, it's time to move inland. It's time to get away from destruction. Yes, sir.

Days are short. Now, I'm not saying that to scare anybody. I'm just telling you.

No, no, no. You don't have to. The Lord's already told me that very soon, people will begin moving out of the cities.

They will because these attacks that are coming will be on the cities, the large population centers

of America. Yes. So I'm right with you, and I believe you heard from the voice of Yahweh.

And what was even more prophetic, and we are so upset that we missed tabernacles, but he put

us in a tabernacle experience. Good. Because when he moved us out, we were put on our floors.

It was a little temporary. We were put on the floors of our home for 12 days, even beyond that.

But just what you said today, just even revealed more to me what Yahweh was doing for my family.

Just showing us how he was keeping us safe by moving us away. Amen. And by listening to his voice, and not only that, but that he opened up every door for us to come here.

Well, I don't believe they're going to find you out in those Indiana cornfields. You ought to be just fine. Amen.

Bless you, Brother Anikwitch. We love you and hope to see you. You're a lot closer to us now.

Amen. We come in the Passover. We'll be at Passover.

That's exciting. Amen. Brother Shaflette family, good morning to you.

Good morning. Good morning, Pastor. Hello.

We're all recovering this morning. My daughter and grandbabies just left this morning. So keep it short.

Kelsey's here. My youngest daughter came and housed it. Oh, you got another daughter.

Okay. With the one-year-old. We brought her son Finley, who's five.

So I have all my three babies plus three babies here this weekend. So it's just been kind of crazy.

So something to go along with the last comment.

We came back and Tom was talking. So Tom was talking to our neighbor. Tom was talking to our neighbor across the street, expressing that we would like to move in a year or two.

And we keep saying where there's a Yahweh, there's a way. He said he'd be interested in buying

our house for his mother. So.

Hallelujah. So we may have a buyer already for our house. When the father starts moving.

Everything starts falling into place. And that's, that's my whole thing. I was just like, we were hoping to come out.

For Passover. We are coming for Passover. We wanted to say.

We don't hope. So two quick questions. I'll do mine first.

My Christian music's really bothering me. All my Christian music talks about worshipping Jesus. I know.

I know. Okay. So.

And I'm like, I don't want to come across ignorant. I'm learning a lot. Like with the Trinity.

So. So we worship Yahweh. But where do we hold Yeshua? Let me, let me, that's a great question.

I'm glad you brought that up. I'm glad you brought it up. It's a good time for me to teach about this.

Okay. So. If I were to go into the throne room.

Of her majesty, queen Elizabeth, before she died. I would absolutely take a knee. And bow.

Because the Bible tells me to give honor. To whom honor is due. And if he sets up kings and takes them down.

He says, honor the king. We honor Yahshua. Yahshua is not only our elder brother.

He gets the double portion of the inheritance. He is our Messiah. He is our king.

We give him worship. But here's the problem. We give him worship of the son.

We don't give him the father's worship. We don't replace the father with the son. We don't, we worship the father.

But we adore the son. If that makes any sense. Okay.

The father is creator. So let's say the song is saying these words. Let's say the song is saying.

We worship you, Yahshua, creator of all. Well, that's a lie. He's not the creator of all.

We don't worship him as creator. Okay. Now we can say these words.

I magnify you for your sacrifice. I give you glory for all you've done in my life. See, we're acknowledging and adoring the son.

But our worship goes to the father because Yahshua said to worship his father in heaven. So we do have to be very careful there. Glory, honor, praise Yahshua.

Worship our father in heaven. Absolutely. We give glory.

I give honor to the United States president if they're legitimate. Exactly. Yes.

All right. I don't give honor to this one because he stole the election. But if you're the legitimate president, I will, I will stand on my feet when the judge walks in the room.

Okay. I'm not worshiping that judge, but I am giving him glory. I am giving him honor because of his position.

Yahshua, let me tell everyone, if you ever think that this ministry degrades Yahshua on any level,

you have missed our message. We actually think we give him more glory by saying that a man overcame without any supernatural power and became the perfect lamb of God. To me, that's the

greatest glory you can ever give him is that he did it.

And he did it on his own. He did it with a made up mind. And so we do not degrade the son in any way.

Chelsea had a question. She wants to know what does Orion represent? Yeah, because I don't know if I've missed it, but with us going over the Maserat and the scriptures, I'm like, who is Orion

supposed to represent? Maybe I missed it. He is Yahshua.

Okay, it's Yahshua. Okay. When you see Orion and you study about Orion, he's known as the son of man.

That is what Orion is called, the son of man. And so I'll do a teaching on Orion. Yeah, because I had tried to kind of do some research on my own, but there's conflicting.

Some say it's Yahshua and some say it's Noah. So that's why I'm like. It's not Noah, but here's what it is.

Do you remember Yahshua talking about the sign of the son of man? Yeah. In the heavens. That's Orion.

Okay. All right. And it will be in position when he returns.

And we'll talk about that later. Awesome. Thank you.

Love you. We love y'all. Can't wait to see you.

Sister Elizabeth, go right ahead. Okay. I have a question about.

You answered most of my questions. But we'll talk about after the millennium. And after the judgment, everything.

Is that when, in eternity, is that when Yahshua gives Yahweh? Yes, ma'am. Yes, ma'am. After the seventh day.

Okay. Because the purpose of the seventh day. Is to.

Bring the earth. We don't want to give the father and earth. That he didn't create.

That's been destroyed by Satan. So during that thousand years, we all go to work. Healing every sick person.

And restoring the waters on earth. Restoring the earth. And it's just going to be a wonderful, beautiful thing.

Amen. The other thing I wanted to. One thing, another thing.

We were talking about the. The menorah in the heavens. Yes.

Last week, I bought a seven branch menorah. And it came during the week. And I lit all these

seven candles last night.

Well, that's beautiful. The menorah is the symbol of our ministry. Everyone should have a menorah in your home.

The seven branch to menorah. Should be in every home. And of course we'll celebrate that menorah during Hanukkah.

By the way, our Hanukkah banquet. Is on December the 25th this year. We're going to have a beautiful Hanukkah banquet.

Last year is a week before. The pagan holidays this year, it falls in the same week. So if you've never been to one of our Hanukkah banquets, we dress to the nines.

And it's a beautiful, beautiful event. Which happens this year to be on December the 25th. So if you want to get away from all the pagan insanity.

You're welcome to come down and see us for Hanukkah. Sister Sandra Brier. Can I say something? Yes.

I'm sorry. This is Janelle. I can't figure out.

I'm on my iPad, which I usually am not on. And I can't figure out how to raise my hand. But I had a. But if anyone needs a scripture.

A command to judge. You know, we hear not to judge that. That's Matthew seven.

Verses one through five. Do not judge lest to be judged. That's a different kind of a judgment.

That's right. 724. Commands us to judge.

It says, therefore. No longer judge merely. By the surface look.

But instead. Make righteous judgments, which tells me. Instead.

What follows instead is going to be opposite. Of service judgments. That's true.

So. We have to learn by the spirit of God. Beneath.

And when you get those. Then you can be a righteous judge. That's why we tell everybody discernment is the best gift you can have.

It's a wonderful gift to discern. Go ahead. It's so good to have you back brother.

I want to thank you today. You've clarified a whole lot of things for me. Thank you.

You know, you teach us about. The plan of God. Yes.

And. I have a question. If.

I know that. This is the thing that God had in his mind. That he had the plan for all eternity.

And I feel like. That it's an eternal covenant that he's made. With us.

That if we come into that agreement. With him. Then we are part of that.

And that is what's written. In the heavens. This menorah is, is that plan of God? So it's a covenant

that we can make with our Lord.

And. I, it just overwhelms me, but. Anyway, the other.

Before you go to, before you go to the other one. That is what. Of that I loved about Taurus.

Is that those seven menorahs was literally. On the shoulder of that bull. As he comes rushing back, which most Christian churches.

Missed that part. They preach on the coming of Christ. But not on the government of Christ.

And therefore we're not training people to be in that government. And Satan must be rejoicing. Surely.

Yeah, that's the saints are just being coddled to death. Literally. Okay.

And the other question, I have two questions. One is. In the menorah.

And in or in the whole entire plan of God. I know that the law. Exists and it's there eternally. And is that we have, we talked or have I missed. That that's in the Maserat. That is showing. Yes. Whenever we get to when I think when we get to cancer. That that will be okay.

Yes, ma'am. Okay. The other question I have.

Because of an experience I had when I was very young. And the Lord showed me something and

it had to do with this. Color blue and government.

And I want to know what. What is the blue? Okay. When you go to the tabernacle.

Of Moses, which he created after the pattern he saw in heaven. Remember the, the covering of the whole tabernacle. Was to be in blue.

Because blue represents the law of God. That's the reason we have a blue sky instead of a gray or a brown or green sky. Because the law of Yahweh covers the whole earth.

Okay. What I saw was light. It was blue neon blue light.

And connection with, with the ruling. In the kingdom. And also what had to be over the arc of the covenant, the Holy of Holies was draped in blue.

And red. That's why Yahshua wore a scarlet purple robe. Because he was the blue and the red combined, which is hallelujah.

And that's the robe that went over the arc of the covenant in the flesh. Amen. Again.

Thank you. Thank you. And that's why colors are so important in a church.

I don't allow certain colors in our local church. That's why for all of the feasts we tell you what colors to wear. Because you are literally coming into the, to the vibration of that event.

When you identify with it on that level. Amen. Praise Yahweh.

Thank you Sandra. I appreciate the year you've been with me, supporting me every week.
