

Communications Committee Fall 2023 Report

Submitted by Katie Kennedy, 10/27/23

As the new webmaster for the Alaska state DKG site, I am just getting up to speed and learning all of the ins and outs of editing this site. I welcome any suggestions and would appreciate knowing if any corrections are needed to the information currently on the site. Feel free to email me at katiekdkg@gmail.com with thoughts related to the website.

The committee currently only has two members: Lynn McNamara and myself. We would gladly welcome more members! If you are interested in helping with communications, please join us.

There is a [Permission to Publish](#) form on the website. We ask that each Alaska DKG member complete this form and send it to katiekdkg@gmail.com. This will allow us to post photos and information about the wonderful goings on of your chapter on the state website. Thank you in advance for completing this form if you have not yet done so.

As President, Lynn McNamara will be providing semi-regular communications via the President's Corner, which will appear on the website. Check back periodically for new editions of the President's Corner, as Lynn will keep us abreast of DKG related information.

Per Lynn's suggestion, we are looking into apps that may be used for DKG Alaska communications. WhatsApp has been recommended, as has GroupMe. If you have other suggestions for apps that may be useful for our communications, please let us know.
