

After Life Pitch

Author: James “Dragon Master” Courneya

Genres: Fantasy, Adventure, Comedy,

Page Count: #

Synopsis:

It turns out the After Life is real. Just not really like how anyone expected. It also turns out Aliens and Fairytale like fantastical creatures exist, shame that most people don't find out about them until after they die.

Rocky Findlay was a good person on Earth, like really good. So, he gets to keep his body. Something very few people get to keep. A lot of people end up in one of the many Hells. Many also end up in one of the many Purgatories. Some wind up in one of the Heavens. A very select few have free reign and a corporeal body to keep.

Characters:

Rocky Findlay:

Bio: His parents named him Rocky. Shonen Protagonist, with enough intellect to cut through certain concepts.
