Year 6 Navigators : Global Warning Homework Menu

 SOAR!	Write a 'Greta Thunberg' style speech to the world to address what you would like our world leaders to do in order to better-preserve our planet.	Design and construct your own 'Global Warning' Board Game, including playing pieces and cards.	?
 GLIDE!	Create and label a scientific drawing showing how different mixtures can be separated.	Make an information leaflet on how we can make changes to our everyday lives to help reduce waste.	Create a piece of sculpture in the style of a 'Message in a Bottle'. Add a message to the note inside to describe what the finder could do to better care for our world.
 PADDLE!	Remind yourself of what biodegradable means and make a list and draw some biodegradable items.	Make a poster showing different types of pollution and what their effects are on the environment.	Carry out a family litter pick in your local area and send in a photo of your work!
