What is this Privacy Policy for?

This privacy policy is for the websites https://www.chemistrytutornorthampton.co.uk/ and https://www.alevelchemistryrevision.co.uk/ served by Dr. C. Boes, private Tutor. It governs the privacy of its users and the clients of Dr. C. Boes, private Chemistry Tutor.

The policy sets out the different areas where user and client privacy is concerned and outlines the obligations & requirements of the clients, users, the website and website owner. Furthermore the way this website processes, stores and protects user/client data and information will also be detailed within this policy.

The Website

This website and its owner, Dr. C. Boes, take a proactive approach to client and user privacy and ensure the necessary steps are taken to protect the privacy of the users throughout their visiting experience and clients throughout their tuition assignment. This website complies to all UK national laws and requirements for user privacy.

Use of Cookies

This website uses cookies to better the users experience while visiting the website. Where applicable this website uses a cookie control system allowing the user on their first visit to the website to allow or disallow the use of cookies on their computer / device. This complies with recent legislation requirements for websites to obtain explicit consent from users before leaving behind or reading files such as cookies on a user's computer / device.

Cookies are small files saved to the user's computers hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors.

This website uses tracking software to monitor its visitors to better understand how they use it. This software is provided by Google Analytics which uses cookies to track visitor usage. The software will save a cookie to your computer’s hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information. You can read Google's privacy policy here for further information http://www.google.com/privacy.html

Other cookies may be stored to your computer's hard drive by external vendors when this website uses referral programs, sponsored links or adverts. Such cookies are used for conversion and referral tracking and typically expire after 30 days, though some may take longer. No personal information is stored, saved or collected.

Contact & Communication (Data protection)

Users contacting this website and/or its owners do so at their own discretion and provide any such personal details requested at their own risk. Your personal information is kept private and stored securely in paper or electronic form until a time it is no longer required or has no use, as detailed in the Data Protection Act 1998 and GDPR 2016.
If prospective clients email their details they are advised that they do so at their own risk. This website and its owners use any information submitted (including personal data like name, age, postal address, phone number, email address etc.) to provide you with their services (tutoring at your home or online or by phone including sending and reviewing homework, invoicing, book keeping and discussing student progress; selling and sending Chemistry Flash Notes books etc.) and further information about the products / services they offer or to assist you in answering any questions or queries you may have submitted. Your details are not passed on to any third parties unless there is a legal obligation to do so.
You have the right to see information held by Dr. C. Boes and this information to be deleted upon request.
This is by no means an entire list of your user rights in regard to receiving email marketing material

External Links

Although this website only looks to include quality, safe and relevant external links, users are advised to adopt a policy of caution before clicking any external web links mentioned throughout this website. (External links are clickable text / banner / image links to other websites, similar to https://www.alevelchemistryrevision.co.uk/
The owners of this website cannot guarantee or verify the contents of any externally linked website despite their best efforts. Users should therefore note they click on external links at their own risk and this website and its owners cannot be held liable for any damages or implications caused by visiting any external links mentioned.

Adverts and Sponsored Links

This website may contain sponsored links and adverts. These will typically be served through our advertising partners, to whom may have detailed privacy policies relating directly to the adverts they serve.
Clicking on any such adverts will send you to the advertisers website through a referral program which may use cookies and will track the number of referrals sent from this website. This may include the use of cookies which may in turn be saved on your computers hard drive. Users should therefore note they click on sponsored external links at their own risk and this website and its owners cannot be held liable for any damages or implications caused by visiting any external links mentioned.

Social Media Platforms

Communication, engagement and actions taken through external social media platforms that this website and its owners participate on are custom to the terms and conditions as well as the privacy policies held with each social media platform respectively.
Users are advised to use social media platforms wisely and communicate / engage upon them with due care and caution in regard to their own privacy and personal details. This website nor its owner will ever ask for personal or sensitive information through social media platforms and encourage users wishing to discuss sensitive details to contact them through primary communication channels such as by telephone or email.
This website may use social sharing buttons which help share web content directly from web pages to the social media platform in question. Users are advised before using such social sharing buttons that they do so at their own discretion and note that the social media platform may track and save your request to share a web page respectively through your social media platform account.

Shortened Links in Social Media

This website and its owner through their social media platform accounts may share web links to relevant web pages. By default some social media platforms shorten lengthy urls [web addresses] (this is an example: http://bit.ly/zyVUBo).
Users are advised to take caution and good judgement before clicking any shortened urls published on social media platforms by this website and its owners. Despite the best efforts to ensure only genuine urls are published many social media platforms are prone to spam and hacking and therefore this website and its owners cannot be held liable for any damages or implications caused by visiting any shortened links.
