Unit Fraction War
(SOL 2.4c)

Materials:
Each player gets 2 sets of unit fraction cards
Each pair gets 1 set of the "less than", "greater than", and "equal to" cards

Each player pulls a unit fraction out of their pile.
They determine which one is greater than the other.
The player with the greater fraction keeps both unit fraction cards.
If they both pull the same unit fraction card then then the fractions are equivalent and each player keeps their own card.

Play continues until one player has all the cards or until time is up.

$\dfrac{1}{2}$	$\dfrac{1}{4}$	$\dfrac{1}{8}$
$\dfrac{1}{3}$	$\dfrac{1}{6}$
